New Supervisorial District Proposed

Topic Scheduled At Civic Affairs Meeting Monday

Two topics of major importance for both Lafayette and Orinda, as well as for the rest of this portion of Central Contra Costa County, are scheduled for discussion next Monday night when the Orinda Association's Civic Affairs Committee meets at Orinda Grammar School.

These subjects are:

1.—The legislative bill for setting up "urban unincorporated areas" (A.B. 3217), which, according to opponents, would deprive rural areas of certain county services unless extra taxes were paid.

2.—Whether this area (Lafayette-Orinda-Moraga-Walnut Creek-Concord) should have a separate supervisorial district of its own.

CIVIC AFFAIRS CHAIRMAN Zach Montgomery announced that President W. B. Scarborough of the Lafayette Improvement Association had promised to attend the Civic Affairs meeting, to explain the opposition of his organization to A.B. 3217.

Montgomery also stated that he was inviting Mrs. Zelda A. Moses, secretary of the Orinda Estates Owners Association, to the session, to discuss further the matter of a separate supervisorial district. The Orinda Estates Owners Association has appealed to the Orinda Association for cooperation toward effecting such a district.

THE LAFAYETTE IMPROVEMENT Association board recently voted unanimous opposition to the "urban unincorporated areas" proposal and informed State Senator George Miller, Jr., and Assemblyman Robert L. Condon of its attitude

Condon replied that he would vote against the measure, and Miller stated he would give the matter full study.

A SEPARATE SUPERVISORIAL district for this area, according to a letter to the Orinda Association from the Orinda Estate organization, over the signature of Mrs. Moses, is desirable because of the "tremendous increases in the population of Walnut Creek, Concord, Lafayette, Moraga and Orinda."

This letter contended that "a supervisorial district confined to the above-mentioned area only would best serve the district and the people therein."

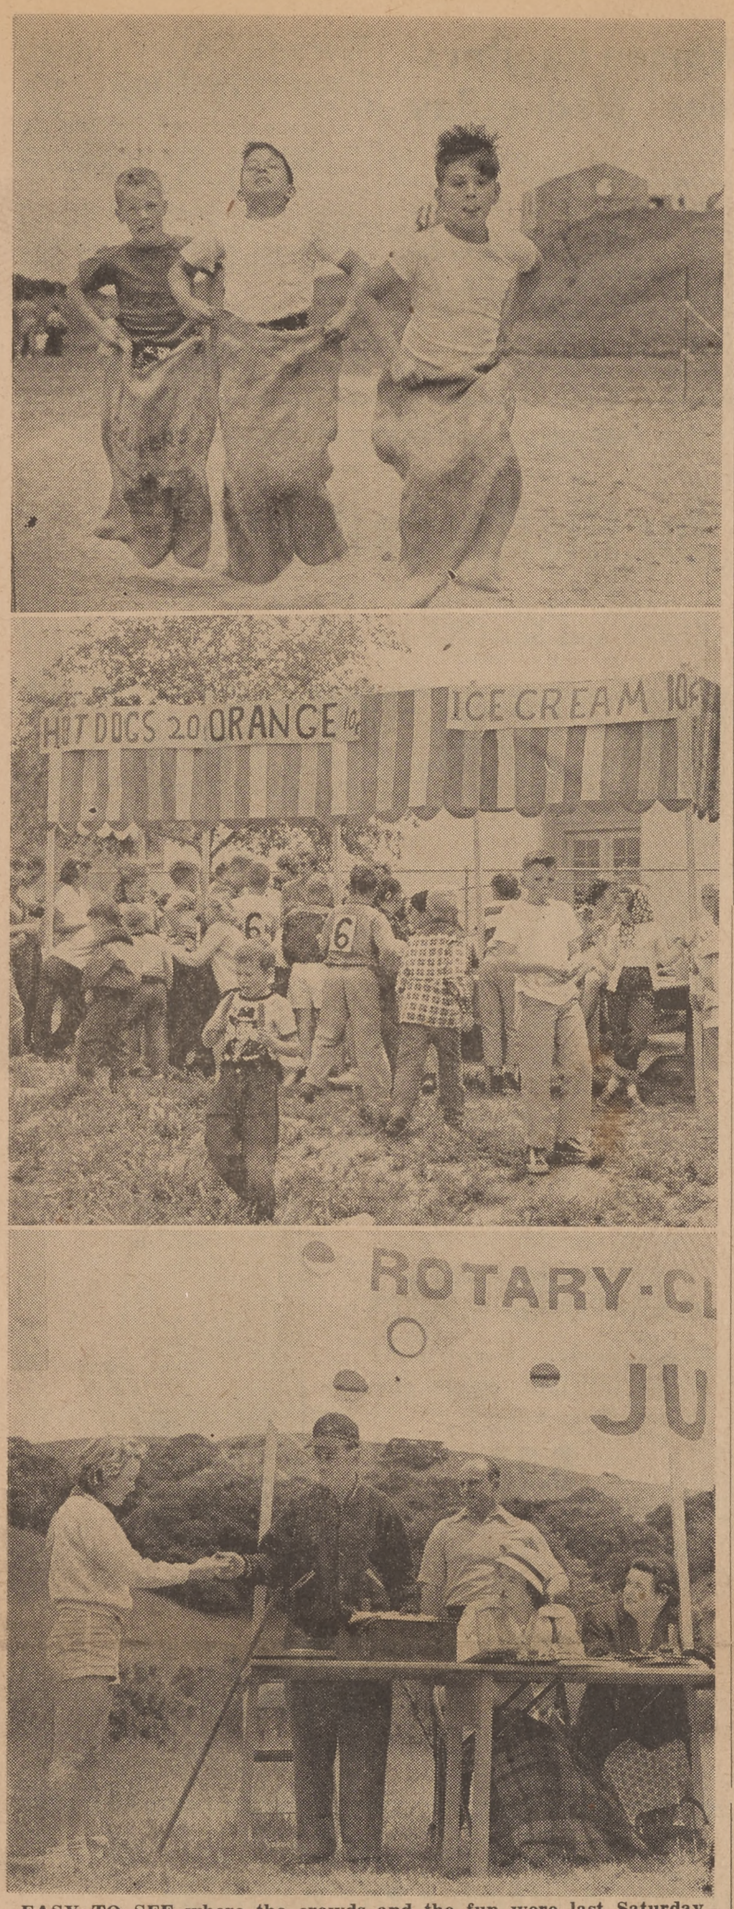

Secretary Norman F. Coates of the Orinda Association board has informed the Civic Affairs Committee that the Political Code provides that the Board of Supervisors can set up new districts and change the boundaries of existing districts.

Coates said his attention had been called by Mrs. Roberta Spiegl, past secretary of the Orinda Association board, to the Political Code sections specifying these provisions.

"BOTH THESE ISSUES—a separate supervisorial district and A.B. 3217—are of concern to this community and this whole area, so I hope there's a good turnout at the Civic Affairs meeting Monday night," Montgomery said. The session is set for 7:45 p.m.

Montgomery explained that the approach toward A.B. 3217 would be one of a quest for information. "I don't know if it's a good or bad proposal," he said. "We want to get all the information we can on it.

"Mr. Scarborough has been asked to tell us what he knows about it, since the Lafayette Improvement Association board has apparently had a thorough discussion on it."

EASY TO SEE where the crowds and the fun were last Saturday morning and afternoon—at Orinda Rotary's First Annual Field Day for Orinda's school children, of course! Hundreds of kids participated in the many contests, hundreds of grownups cheered and hundreds of both partook of refreshments sold by the Mothers Club. The big doings were at Orinda Grammar School grounds. At top are the winners in the fourth grade boys' sack race—Gary Lucas First, Bill Houston second, Bobby Ellermeyer third. Center picture shows why the refreshment stands were such popular spots. Below, Kathleen Kilgo receives her medal for winning the eighth grade girls' standing broad jump. Frank Isola, physical education instructor at Orinda and Glorietta Schools, is handing her the award. Seated are two teachers, Verna Givens (left) and Cynthia Knox, who helped tabulate results. Standing behind them is Rotary Club President Frank Olsen. (For list of winners, see page 7.) —SUN photo by Mattson

JOAN OF ARC (Chris Inman-Kane, in white dress with fleur-de-lis pattern) will thrill and entertain the audience at tonight's Acalanes Spring Festival at the Don gym. Others in this Modern Dance Group scene, which portrays Joan rousing the people of France, are (left to right) Shirley Daniels, Carola Courtright, Janet Jansse, Petey Bedard and Peggy Gray.

Wirtabel Harris Heads Dramateurs

A new panel of officers to lead the Orinda Dramateurs was elected last week, with Wirtabel Harris elected president.

Others named were Barbara West, vice-president; Sybil Sellers, secretary; Aylwyn Probert, treasurer; Ben West, stage manager; Betty Lyman, publicity, and Andy Blalock, membership.

The position of producer is still open, according to Mrs. Robert Anthonisen, retiring publicity chairman.

The regular meeting in June will be the last session of the season.

Folk Dance Fete For Nine Hundred Kids Next Week!

Folk dancing and Maypole prancing will be dominant in the minds of the more than 900 youngsters at Orinda and Glorietta Schools next week.

These activities will occupy the children at the schools' Second Annual May Day Festival. Starting at 1 p.m. and lasting at least an hour, the outdoor festival will be held at Orinda School next Wednesday and at Glorietta School next Thursday.

Each class will perform its own dances, according to Schools Superintendent Joseph L. Sheaff. Each teacher will be in charge of his or her class.

ROTARIANS SEE MOVIE

An interesting movie on the subject of "Table Top" photography was shown at the Orinda Rotary Club noon meeting at the Willows Wednesday.

Acalanes Spring Festival to Be Staged Tonight

Joan of Arc, famed for her exploits in French history, will come alive again tonight in the Acalanes gym with the high school's annual "Spring Festival" presentation of a modern dance pantomime "Jean de Arc," featuring the school's modern dance group.

Chris Inman-Kane will play Joan. Supporting in the cast are Petey Bedard, Pat Bermingham, Marge Blankenship, Clarice Brennan, Shirley Daniels, Peggy Gray, Avice Hatton, Janet Jansse, Leslie Heche, Kay and Betsy Lyser, Ann McAllister, Erna Soder, Anne Summers, Karen Tynes, Barbara Springston, Shirley Williams, Janet Chantler, Carola Courtright, Sally Fleager, Judy Hall and Diane Robertson.

The program will also include selections by the Mixed Chorus directed by Bruce Handley, and the Girls' Chorus directed by Oscar Busch.

C. of C. Officers Slate Approved

The slate of officers proposed for Orinda Chamber of Commerce will assume office June 1 after unanimous approval of their selection was indicated by absence of any mail-in ballots before yesterday's deadline.

Ramsay Underwood will serve the merchant and professional men's group as president for the new term. Al Eberlin is vice-president; Andy Blalock, executive secretary; John Stoffel, treasurer. Fred Troy, Ernest Poll, Bill Worden, Ewart Phair, Frank Black and Virginia Hammond are directors for the organization.

Crossroads Tract Future on Agenda Of Civic Affairs

Future use of the East Bay Municipal Utility District property in the Pine Grove area at the Crossroads, above the Shell service station, is a question that will come up Monday night at the Orinda Association's Civic Affairs Committee meeting at Orinda Grammar School.

This was announced this week by Kirk Miles, president of the Orinda Association, and Zach Montgomery, chairman of the Civic Affairs Committee.

THEY STATED THAT Ramsay Underwood, representative on the Civic Affairs Committee from the Orinda Division, Contra Costa Real Estate Board, would discuss the issues raised in a recent letter from the division to Miles.

In that letter, signed by John Loop, division chairman, apprehension was expressed that "large construction firms definitely are interested in the parcel with the apparent intention of erecting homes not in keeping with the surrounding neighborhood."

THE LAND WAS FORMERLY considered by the Acalanes High School District as a possible high school site, and last summer the high school district filed condemnation proceedings against E.B.M.U.D. Recently the school district dropped its condemnation suit.

Phil Wagner, in charge of the E.B.M.U.D. properties division, has stated that E.B.M.U.D. has been completing its survey of the parcel and that no discussions as to sale have taken place.

Montgomery said today that Underwood hopes to be able to report further on the E.B.M.U.D. attitude at the Monday night meeting, which will start at 7:45.

Rotary Field Day Proves Successful

A grand day was had by Orinda children at the Rotary Club Field day Saturday.

The games and races worked up tremendous appetites which Mothers Club, under the direction of Mrs. Wilbur Twining, did their best to fill.

Over 500 hot dogs, 400 popsicles and lots of orange and grape pop were sold.

The sixth grade, under the direction of Mr. Isolda, had built a decorative and useful stand under the trees, whose colorful awning and posters attracted much attention. The committee did a wonderful job in serving hot dogs that were really hot, drinks and popsicles that were ice cold, all with a minimum of waiting.

The committee consisted of Caroline Reed, Bert Moore, Frances Conley, Nancy Davidson, Jean Smith and Ruth Twining. They netted between $90 and $95, which went into Mothers Club treasury. It was a wonderful event, enjoyed by all participating.

Sheaff Explains New State Law on Kindergarten Age

Youngsters registering now for the kindergarten term starting next Fall will not be affected by the new minimum age ruling enacted by the State Legislature, Superintendent of Schools Joseph L. Sheaff stated this week.

The new law ups the kindergarten age requirement from four years and six months as of September 1 to four years and nine months as of September 1. First grade entrance age for pupils who have not completed a year of kindergarten is five years and nine months, instead of the present five years and six months, as of September 1.

"The law takes effect 91 days after the legislative session ends," Sheaff said. "The session is scheduled to end June 23. So September 22 is the date the new law becomes effective.

"Therefore, those youngsters being registered for kindergarten before September 22 can still come under the four years and six months standard, and those new pupils registered for first grade before that date can still come under the five years and six months standard.

"The law states that children completing a year of kindergarten can go into first grade, regardless of age."

Registration at Orinda and Glorietta Schools was held yesterday and will continue today for next Fall's kindergarten and for new youngsters who will enter first grade then.

The Fall term will open September 10.

Officers Elected by Mothers Club

The final business meeting of the Orinda Mothers Club was held Tuesday at the Orinda School auditorium at 2 p.m. The band, under the direction of Oscar Busch, and the Glee Club, under the direction of Miss Barr, presented a very enjoyable program.

After a short business meeting, Helen Stark, chairman of the nominating committee, presented her committee's recommendations for next year's officers. Election and installation of officers followed.

The installation ceremonies were very impressive as children of the newly elected officers pinned corsages on their mothers.

The slate for 1951-52 is president, Mrs. Robert Bigler; vice president, Mrs. Marvin T. Bonds; treasurer, Mrs. Charles Coburn; corresponding secretary, Mrs. Norman Coates, and recording secretary, Mrs. Willis C. Branch.

The outgoing officers accomplished much for the benefit of the children of the two schools. They received a vote of thanks. Outgoing officers are president, Mrs. J. H. Schwarck; vice president, Mrs. Robert Bigler; treasurer, Mrs. Roger Stark; corresponding secretary, Mrs. Anthony Cianciarulo, and recording secretary, Mrs. Arthur Henry.

Tea was served by mothers of Orinda School morning kindergarten under the chairmanship of Mrs. Clinton Dewitt, room mother. Child care was provided at the Children's unit of the Community Church.

Scouts Will Give Lions Bean Feed

Next Wednesday night Orinda Lions and their wives will be guests of Orinda Boy Scout Troop 207 at a Bean Feed at Orinda Community Church. Mothers of the scouts will prepare the 7 o'clock dinner for the troop sponsors.

The affair will serve as the kick-off for a campaign to sell tickets for the Oaks game of June 8, proceeds to go toward the troop's project of providing a guide dog for a blind person.

Sanitary District Opens Bids for New District

Bids for installation of sewer lines in Local Improvement District No. 23, the area behind Lake Cascade, were scheduled to be opened last night by the Central Contra Costa Sanitary District board.

Dry Cleaning to Be Subject for Meeting

The Orinda Home Department will meet Wednesday at 10 a.m. at the home of Mrs. B. F. Courant, 224 La Espiral .

The subject will be "Dry Cleaning" and "Meals That Click With the Clock." Luncheon will be served.

Is Spring Really Here to Stay?

Well, whadda you know! Sunshine and in Orinda!

In fact, on Tuesday, when the week's high was recorded, the 82 degrees gave an uncomfortable foreboding to those who don't appreciate summer heat.

These are the people who reveled in the 37 degree low May 12. And there are still others who appreciated the .02 inches of rain that brought the weather year total up to 38.24 inches.

Well, we have a lot in Orinda—enough said!

Walgren to Talk To G.O.P. Women

Stanley Walgren, assistant principal of Acalanes Union High School, will speak to the Republican Women's Club of Orinda on "Americanism in Our Schools" Thursday at 10 a.m. at St. Stephen's Episcopal Church in Orinda Village.

A short business meeting will precede Walgren's talk.

Hill and Dale Dance May 25th

A formal dinner-dance, an extra in addition to the usual three held during the year, will draw Hill and Dale members to Orinda Country Club next Friday night, May 25. There will be a cocktail party at the club at 7:30, with dinner to be served at 9. There will be no reserved tables.

Members who wish to make reservations for the affair are to contact Mrs. N. S. Dodge, Jr., 51 Irvine Drive, not later than today.

URGES ECONOMY

"Waste of resources today may mean waste of lives tomorrow," A. C. Hardison, of Santa Paula, prominent agriculturist and president of California Taxpayers' Association declared, urging strict economy in federal, state and local public spending programs in the days ahead.

Out of the Dog House

Proposed New Dog Ordinance Being Revised; Copies To Be Sent Out Soon

By LYN McKEE

THE NEWLY PROPOSED Dog Ordinance for Contra Costa County is the conversational football being kicked around in dog circles these days.

Copies of this ordinance were sent out to dog clubs and to some kennel owners by Dr. H. L. Blum, who heads the County Health Department.

These were accompanied by letters, stating that a meeting for the purpose of open discussion would be held May 2.

The lengthy ordinance provides for the control of rabies, the licensing and vaccination of dogs, the licensing of kennels, the establishment and operation of county pounds and the control of vicious and diseased dogs.

As soon as the copies were received, telephones started buzzing, and rumors ran rampant. Amid the hubbub, Les Iford, president of the Contra Costa Kennel Club, sent forth word that all those interested in discussing the ordinance would be welcome to meet in his Martinez office on the Monday preceding the meeting called by Dr. Blum.

THIS PROVED TO BE a good step. The meeting was well attended, and most of those present had studied the ordinance in advance. The proposals were discussed, section by section, suggested changes were ironed out, recorded and later presented to Dr. Blum.

At the May 2 meeting, Dr. Blum, Poundmaster O'Leary and a representative from the district attorney's office were on hand to answer questions.

At the end of the session, the consensus seemed to be that the ordinance is basically good. Objections, for the most part, centered around ambiguous and poorly worded phrases.

Suggested changes, deletions and additions are now under consideration. Soon a revised proposed Dog Ordinance will be printed and again circulated.

KENNEL OWNERS SHOULD be pleased about the provision made for the licensing of kennels at the reasonable rates of $10 to $15, based on the number of dogs.

This will eliminate the present need for kennel owners to purchase an individual license for each dog.

Kennel owners have been agitating for just such a provision for a number of years.

HERE IS A SAD but true story, brought about by a hit-and-run driver. Let us hope that his conscience will never allow him a moment of repose.

Reggie was the name of a dog who was housed and loved by the Spencer Lehmann family of Moraga Boulevard. Reggie was not allowed to run loose.

But one day, not so long ago, Reggie was accompanying Mrs. Lehmann to the mailbox, as was his custom. The phone rang, and she hurried back to answer it.

A few minutes later, there was a screech of brakes. Some one driving a jeep at far too fast a speed was unable to stop in time, so decided not to stop at all.

The Lehmann twins arrived home for lunch, seconds later, to find their pet lying dead by the side of the road. It's pretty hard to explain to a couple of youngsters why such a thing should happen.

Those of you who use Moraga Boulevard as a short cut day after day, take care, we plead. It is not a highway. It is a residential area.

There are many small children and many pets, and busy mothers cannot help but relax their vigilance occasionally.

Moraga Boulevard should not be a speedway for second-savers. One of the best safety slogans I've seen ought to be erected in good big letters in a number of hazardous spots:

D.A.R. Discusses Chapter Activity

Mrs. Leroy Kennedy's home on Solana Drive was locale for the monthly meeting of Acalanes Chapter, D.A.R., recently.

With Vice-Regent Mrs. A. L. Ammen presiding in place of Mrs. Harvey B. Lyon, regent, who is traveling in Europe, reports were made on chapter activities and future plans were discussed.

All chapter members are to be guests of Mrs. E. Wynne Newell of Berkeley at a luncheon she plans to give at the Art and Garden Center in Walnut Creek in honor of Mrs. Lyon when the latter returns from Europe, probably in early July.

Officers and chairmen of Acalanes Chapter will meet June 4 at the home of Mrs. Ammen, 93 Cambrian Way, Piedmont, for the final business session of the year, according to Mrs. Ernest Ford, publicity chairman.

FAIR PLAY ON HIGHWAY

Treat other drivers and pedestrians as you would have them treat you. Frightening pedestrians with quick stops or angry blasts of the horn may cause confusion that may result in a mishap.

Women Realtors Meet Wednesday

Postponed from yesterday, the meeting of the Women's Division of the Contra Costa Real Estate Board has been set for next Wednesday, according to Mrs. Helen Haines, president.

The session will be a luncheon meeting at Hal's, Mt. Diablo Boulevard, highlighted by a talk on "Real Estate Law" to be presented by Mrs. Fisher of the Oakland board.

Moraga Valley Dance Tomorrow Night

A public dance will be held by the Moraga Valley Community Club tomorrow night, 9 p.m. to 1 a.m., at Moraga School.

Chairman of the affair is Mrs. Alfred Baitx, assisted by Captain and Mrs. Harold Parker, Mr. and Mrs. Sam Carr and Mr. and Mrs. John Sanders.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

A home laundry operates for pennies
especially with P. G. and E. rates lower than in 1940

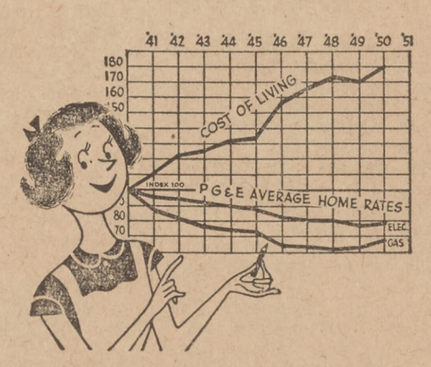

A modern washer is the start of a modern home laundry. If you have one . . . fine! If not, consider getting one. There are many fine conventional models available and, bless them, they operate for a few cents a load on P. G. and E. lower-than-1940 rates!

An automatic clothes dryer is a good investment and an important part of a home laundry. At your convenience, day or evening, it fluff-dries an entire wash sunny-fresh and sweet in a matter of minutes. Here again, you benefit by P. G. and E. bargain rates.

Since 70% of the average family wash is flatwork which can be quickly run through an ironer, you will want this helpful appliance in your home laundry plan. With a little practice you can also do shirts, dresses, frilly things on the ironer. Folks who have them say they more than pay their way.

Homemakers! It's amazingly easy to start a home laundry when you have a plan. Let your dealer show you how to make best use of present equipment, how to add other work-saving appliances later on. With P. G. and E. rates lower today than 10 years ago, a home laundry complete with washer, dryer and ironer usually adds less than 85¢ to your monthly bill. A bargain!

New Appointments Made at Acalanes

Acalanes superintendent Neil M. Parsons today announced several new administrative appointments for the coming 1951-52 school year at Acalanes.

Promoted to new administrative jobs are David Stewart, present Adult School director; William Ross, now a counselor and teacher; and George Houghton, science instructor.

Stewart will serve next year as Dean of Boys, replacing Stanley Wahlgren who is being promoted to Acalanes principal. Ross wil serve as head of the high school's counseling department, replacing Leland Russell who has been promoted to principal of the new Las Lomas High School. Houghton will replace Stewart as director of the Adult Education.

In conjunction with their new jobs Stewart, Ross and Houghton will continue to teach part-time.

New Phone Books Out Next Week

Delivery of the new grey-covered Contra Costa County telephone directories is scheduled to begin next Tuesday, according to H. C. Greenhalgh, Pacific Telephone Company manager.

The alphabetical listings in the Contra Costa County edition increased 6,840 over the previous issue and now totals 58,125. Initial distribution of the Contra Costa directories will require mailing about 38,687 copies.

Greenhalgh stated that over 46 tons of paper, including two tons of cover paper alone, were used in the preparation of the Contra Costa County edition.

Greenhalgh reminded telephone customers to be sure to remove any valuables or records which they may have tucked between the pages of the old directories before destroying them. He also urged subscribers to correct their personal calling lists upon receipt of the directories.

Girl Scouts See 'Of Thee I Sing'

A rollicking, roaring performance of the George Gershwin musical comedy, "Of Thee I Sing," presented by the Glee Club and Treble Cleff of University of California, was enjoyed by the members of Lafayette 7th grade Intermediate Girl Scout Troop 43 when they journeyed to Berkeley last Friday night.

Not only was the show enjoyed by the girls, but also the beauty of the Berkeley High School Community Theater, which none of them had seen before.

In between acts the girls strolled leisurely through the unique foyer, the walls of which are sectioned and covered with displays of the art work of pupils of the Berkeley schools.

This expedition completed one of the requirements of the Drama badge.

Accompanying the girls and enjoying the evening fully as much as they, were Leader Mrs. Lynn Dager, Mr. and Mrs. Don Fibush and Mr. and Mrs. Leonard F. Jones.

Student Speakers Tell 8th Graders About High School

Student speakers from Acalanes are visiting eighth grade students throughout the high school district to give them an idea from the student's viewpoint, about the general activity programs at the high school that wil lbe available to graduating 8th grade students.

High school student speakers are Art Siler, Allen Ames, Ed Neighbor, Ann Seulberger, Elaine Ranker and Beverly Mumford. Counselors are now programming students for next year's seventh period activities.

Canyon Preparing For 'Farm Dance'

Last business meeting of the Canyon Women's Club for the school year was held Thursday evening of last week at Canyon School. Safety and welfare of school children were discussed, and plans completed for the annual school picnic and graduation exercises.

The club voted to put on a "Farm Dance" with the help of the Canyon Civic Club at Saturday, June 9.

The affair promises to be a "real old-time Canyon hoe-down, with all the fixin's"—including music by Hiram's Hired Hands.

As the June meeting will be Party Night, with husbands invited, election of officers for the new term was held. Final tabulations were:

President, Mrs. Ellen Crawford; vice-president, Mrs. Helen Joynes; secretary, Mrs. Doris Bayliss; treasurer, Mrs. Irene Lalley.

Chairmen: Hospitality, Mrs. Pat Foster; publicity, Mrs. Ruth Seeds and Mrs. Gladys Shally; Red Cross representative for Canyon, Mrs. Velda O'Neil.

Local Girls Are Guests at Mills

Carola Courtright and Ann McAllister, Acalanes seniors who have been acecpted for admission at Mills College, were entertained on the Mills campus Wednesday by some of the students.

After lunch at Ethel Moore Hall, they attended the freshman Humanities class and a language class. Later they visited some of the residance halls, the gym and the swimming pool, where practice was being held for a water ballet.

Mrs. Kenneth Courtright and Mrs. Stuart Henderson accompanied the girls and were guests of Mrs. Lynn T. White, Jr., at the president's home on the campus for the hour-long television show which Mills College was presenting that afternoon.

PARENTS RAISE $475

Acalanes Parents have presented the school district with $475 to go toward the purchase of a new Velour curtain for the stage in the Don gym. The district will supply the balance of $700 to install the curtain during the summer vacation.

Expect 1500 Boys At Scout Camporee

The annual Camporee for Boy Scouts and Explorers of the Berkeley-Contra Costa Area Council will be held tomorrow and Sunday at Eastshore Park in Richmond, according to Gordon Hawkins, Boy Scout executive for the Diablo District.

Beginning at 7:30 o'clock tomorrow and concluding at 2 o'clock Sunday afternoon, it is expected that over 1500 boys will camp together, organized into over 200 patrols and crews from troops of entire Contra Costa County and Berkeley.

The committee of scout leaders in charge is headed by Cy Diffin, Antioch, general chairman; and Horace Aiella, Pittsburg, camporee director. Chairmen of committees are Russell Graff, Pleasant Hill, program; Harry Wilson, Richmond, arrangements; and Gordon R. MacPherson, Berkeley, judging.

A special mass will be celebrated by the Rev. Michael C. Ryan, at St. John the Baptist Catholic Church in El Cerrito, at which Scouts and leaders of Catholic faith will attend. Interdenominational services will be conducted on the camporee site by the Rev. Warren Prall, pastor of the Presbyterian Church of the Redeemer of Richmond.

The program of activities includes contests in Scouting skills during Saturday afternoon, a huge campfire program during Saturday evening, and special demonstrations during the forenoon on Sunday.

Judging during the two-day encampment will be based upon standards of camping, cooking four meals, as well as general all-around proficiency. Three classes of ribbon awards will be presented to all patrols and crews in attendance.

Models for Aladdin

Mrs. Ray Roberts of Las Huertas Road served as one of the models in the fashion show given during a luncheon at the Claremont Hotel reecntly under the sponsorship of the Aladdin Branch of the Children's Home Society. Mrs. Roberts displayed a costume in the Mexican design.

A large group of local women who are members of the Heidi Branch of the society attended the luncheon.

Barbershoppers Elect Officers

The Orinda Barbershop singers have elected the following officers for the ensuing year:

Joe Dorst, Berkeley, president; Dick Agster, Lafayette, vice-president; Larry Osborn, Lafayette, treasurer; Oakley Bradley, Oakland, secretary.

Installation will be held at a Ladies Night party late in June.

Chapter members are congratulating Clyde "Bummy" Bumgarner of Orinda on the success of his "Uncalled Four" quartet in winning the Western Barbershop Quartet Championship in Los Angeles. This takes them to Toledo, Ohio, in June for competition for the national barbershop championship.

All men who like to sing are invited to attend chapter meetings held 8 p.m. every Wednesday at Orinda Roost.

Mediterranean Seen in Movie

The popular lecture, film series "Let's Travel," sponsored each Thursday evening 7:30 to 9:30 in the Acalanes library by the Acalanes Adult School, moved to the sunny Mediterranean last night.

John Flynn, executive of Trans-World Airlines, supplemented the discussion on the Mediterranean with two films "Flight to Romance," on Spain and Portugal, and "Flight into Time," on Switzerland and Italy.

The ninth class of the series meeting next week wil spotlight the cultural, political, economic characteristics and vacation potential of Sweden. Dick Nesbitt is series moderator.

The Diablo Art Association is currently holding its Spring Exhibit in the Pylon Building, 1634 Main Street, Walnut Creek.

The show, featuring painting, ceramics, sculpture and crafts, by Association members, opened Monday and will continue through Sunday.

Hours today are from 2 to 5 p.m. and 7 to 9 p.m. On Saturday and Sunday the hours will be 11 a.m. to 9 p.m.

A unique feature of the non-juried show is that the public's vote will determine the first, second and third award in each field represented.

Forty-seven exhibitors from the Diablo area have their works on display, according to Frank A. Smith of Lafayette, chairman of the exhibit.

Among them are Alice Coleman, painting; Helen M. Falk and Frank A. Smith, ceramics, and Carl Jennings, wrought iron work, all of Lafayette, and Dorothy C. Lamb, painting, Orinda.

About 82 of the exhibits are paintings, Smith said, and some 70 are craft displays, mostly ceramics.

Rev. Berven to Take Part in Graduation

Pastor Luther H. Berven of Our Savior's Lutheran Church of Lafayette will offer the invocation at the graduation exercises next Friday night, May 25, for 94 apprentices in all crafts at Alhambra Union High School's new gymnasium in Martinez.

Benediction will be given by Rt. Rev. Msgr. William Burke, dean of Contra Costa County Catholic churches.

John K. Chapel will be speaker of the evening. The program, to start at 8 p.m., will be conducted by the Contra Costa County Apprenticeship Council.

WELFARE FUND CAMPAIGN

A community-wide meeting featuring Richard Gutstadt, executive vice-chairman of the Anti-Defamation League, a nationally famous orator, was held Tuesday night at Temple Sinai in Oakland to spur on the current Jewish Welfare Fund Campaign to a successful conclusion.

Frankenstein to Talk to Diablo Art Association

Alfred Frankenstein, noted art and music critic, will be guest speaker for the Diablo Art Association next Tuesday, 8 p.m. in the Coast Counties Gas Company Auditorium in Walnut Creek.

His lecture, "The Relationship of the Critic to the Community," will be open to the public.

Frankenstein was born in Chicago and received his Ph. D. from the University of Chicago in 1932. He joined the University of California faculty that same year as music instructor. In 1934 he joined the staff of the San Francisco Chronicle as art and music critic. He has been with the University of California Extension Division since 1935.

Frankenstein has contributed to nationally known periodicals, and in 1947 and 1948 he received the Guggenheim Scholarship. He will instruct the Music Department at Harvard during the 1951 summer session.

Contracts Given For EBMUD Work

Contracts totaling more than $132,700 have been awarded by the East Bay Municipal Utility District for work in the Lafayette, Orinda, Pleasant Hill and Saranap area, it was announced today by Joseph A. Duner, Secretary and Treasurer of the District.

The Engineers Limited Pipeline Company of El Cerrito was awarded a $72,900 contract for the installation of water mains and regulators of various sizes in the Pleasant Hill area. The materials required for this installation, already on hand, valued at $135,429, are not included in the contract award.

Contracts totaling $59,885.90 for furnishing pipe, fittings, sluice gates and valves for the proposed Lafayette Filter Plant were awarded to the following firms: Phoenix Iron Works, Oakland $12,938.30; Empire Foundry Company, Oakland $11,458; Renssaleer Valve Company, New York $24,321.60; and Water Works Supply Company, San Francisco $11,168.

Duner said, "The awarding of these contracts is a part of the District's long-range program for expansion and betterment of its water service facilities, now bringing clear, pure, safe water to almost a million people in the East Bay communities."

Miller Requests Contra Costa Be 'Critical Area'

Congressman George P. Miller has formally petitioned the Critical Areas Committee of the Defense Production Administration to declare Alameda and Contra Costa Counties "critical areas" within the meaning of the Defense Production Act.

If Miller's request is granted the East Bay area would then be entitled to certain privileges and rights, among them the relaxation of certain credit controls by the Federal Reserve Bank.

In making his plea Miller pointed out the many defense installations in the two counties and their impact on the economy of the area. He called attention to the fact that the Atomic Energy Commission is in the process of establishing a major facility near Livermore and that the Air Forces are in the process of reactivating Camp Parks and Camp Shoemaker.

TREATMENT PLANT

Another of the major phases of the modern sewage disposal system being constructed by Special District No. 1 of the East Bay Municipal Utility District is now practically complete (actually 99.9%), it is announced by R. C. Kennedy, chief engineer of the district. This is the main treatment plant building which houses the raw sewage pumping plant and grit chambers.

'Let Sheriff Just Tend Jail'—Moley

Commenting on the Kefauver committee's report, Raymond Moley, in a recent syndicated column of his, suggests that state police systems generally handle enforcement and that sheriffs be merely "process servers and jail tenders."

"Our wretched law enforcement in many states is revealed," Moley says in a column which appeared in the Oakland Tribune.

"It is up to state legislatures and governors to bring law enforcements in the counties up to the standard of some of the good cities. That can be done by enlarging the powers and facilities of the state police systems and reducing sheriffs to the homely tasks of process servers and jail tenders.

"It is now up to the press to take on some of its crusading zeal of old.

"It is up to the profession of the bar to drive out of its ranks the lawyers whose present occupation is to keep these crooks out of trouble.

"And it is up to public-spirited citizens in many cities to create crime commissions to watch and support law enforcement officers. The Kefauver report is right in saying that 'crime is largely a local problem'."

Weimar Council Officers Named

Delegates from the 15 County Tuberculosis Associations and health and welfare departments comprising the Weimar Council elected Clerk Wheeler, Sacramento, president; Mrs. Ellen Barnett, Yuba City, vice-president; Elliott O'Rourke, Colusa, treasurer, and Mrs. Lenore Crane, Martinez, secretary at the annual meeting recently at the Weimar Joint Sanatorium in Placer County.

The Tuberculosis Associations of the 15 counties finance the work of the council. Contra Costa's share for 1951-52 was $2,300.96.

Attending the council meeting from Contra Costa County were Mrs. George Vurek and Mrs. George Matey, Orinda; Virginia Dontenville and Maxine Rosa, Richmond Health Department; W. O. Barnes, Associated; Lillian Wurzel, Contra Costa County Social Welfare Department; Ethel Frances Murray, R.N., Lenore Crane and Mary Johansen, Contra Costa Public Health Association.

PLAN TRACY PARADE

One of the outstanding features of the Tracy Central Valley Project Pumping Plant Dedication Celebration August 3-4-5 will be a civic parade Sunday morning, August 5.

Republican Group To Be Reactivated

A meeting to mark the reactivation of the Central Contra Costa Chapter of the Republican Assembly will be held Tuesday, 8 p.m., at Acalanes High School.

All Republicans in the Orinda-Lafayette- Walnut Creek- Concord area are invited to attend. Markell Baer, President of the State Republican Assembly, will address the meeting. Plans will be made for the future functions and activities of the Chapter. In charge of arrangements for the meeting are George Neill, Harry Andrews, William Freeman and Roger Guichard.

Dr. Ligon Heads Optometry Grads

Dr. Edward R. Ligon of Lafayette was elected last week to the office of president of the Alumni Association of the School of Optometry of the University of California.

Dr. Ligon, who has professional offices at 949 Moraga Road, was also appointed recently as a part-time clinical instructor at the University of California School of Optometry.

Cap Sandford Sez:

THIS SEEMINGLY ENDLESS discussion about President Truman, MacArthur, Marshall, etc., is doing no good to anybody, although it cannot fail to give added confidence to the communists.

Back through it all runs a steady vein of indecision, petty jealousy, lack of coordination and even fear. And if we are afraid of this and that, as our leaders say we are, had we not better drop our muskets and run?

A true victor is not afraid of anything, any time, any place. Period.

Thoughtful consideration of the power to which gangsters, thugs and highbinders have risen in the United States makes a body wonder what next.

And when complaints are made, we get the reply: "He may be this and he may be that, but he has broken no law and he is my buddy." And there he stays.

Then it is forcibly brought to my mind that "The whining of the suckers is music to the gamblers' ears."

I ATTENDED A HORSE SHOW at Concord . . . a nice show, many beautiful horses and some fine examples of horsemanship. Many of the jumpers would take the most difficult jumps with an easy nonchalance and then unexpectedly stumble on the apparently easy ones.

I think the answer to that is plainly understood by most competent horsemen.

In talking to a lady friend of mine who sat next to me, I mentioned gum chewing while in the show ring, and spoke of a case where a young girl chewed gum so vigorously and opened her mouth so wide that the judge could see most of her innards from time to time. The lady took up the cudgels for the gum-chewers.

Maybe she is right; maybe she is wrong. I personally am not much of a gum-chewing fan; and I am not terribly hot about tooth-picking in public either. However, there are quite evidently two schools of thought in the matter and I feel that when people appear before the public in open competition they should use every possible precaution against anything not in line with the immediate elements of the competition.

It is possible that competent judges of gum chewing with all its peculiar ramifications, might not be very competent to judge jumpers; and again, the judges of jumping might be very weak in judging a gum-chewing contest, where disgusting facial contortions may sometimes reach almost unbelievable proportions.

WATCHING THE DRIVERS on Maniac's Boulevard, one sees always the Me-First-Right-or-Wrong attitude of most of them.

In such matters may rest the answer to peace or war, because until you reach the point where you always think of the other fellow's interests first, you really have mighty little to offer to your fellow creatures on this world of ours.

NOW JUST A FEW WORDS about General MacArthur. As I have said before, I am not a MacArthur fan, but those who are opposing him at this time are so puny and diminutive in size as to make them appear as gnats against a lion.

And one thing rests squarely in my mind, and that is that the finish, ability and background of a West Point honor graduate should never even be considered in comparison to a product of the Pendergast Kansas political mill.

FEVERISH ACTIVITY in the Sandford linnetry these days.

We watched the choice of a home site, and the little red-headed male was certainly the boss, indicated the place in no uncertain fashion and put the female to work.

And furthermore, I think the little guys ought to be more thoughtful of me, and not use my horizontal bar, as they do, for a toilet!

CROOKEDNESS, Crookedness everywhere . . . in business . . . crookedness in government.

The boldness of the crooks, who, sucking and crawling over the carcass, even have the crust to resent bitterly any honest effort to terminate their nefarious, lice-like activities. Too many of us are prone to worship the wrong god: money, which is, after all, relatively unimportant.

Ultimately a small group will gather 'round a hole in the ground and toss you in, and you will not be able to take one thin dime with you.

The situation you will then be confronted with will not be "What have you?'" (or "what had you?'") but "What did you do?"

Letters To The Editor

Dear Editor:

In the recently completed chest x-ray survey, 4271 persons were x-rayed in Lafayette and 1,968 in Orinda. This represents more than 75 percent of those persons who are eligible for x-ray in these two areas.

We feel that this was a successful program and that we owe the success of the program to the many fine volunteers who spent so many hours working in their communities.

The newspaper made a particularly significant contribution to this program and we feel that the coverage given the survey in your two newspapers, the Lafayette Sun and the Orinda Sun, was outstanding. We wish to express our sincere appreciation for your interest and cooperation.

Yours very truly,
CONTRA COSTA CHEST X-RAY SURVEY, INC.
M. M. Snodgrass,

Highway Group's Board to Meet

Directors of the Diablo Highway Improvement Federation will meet next Wednesday night at 8 at the home of Elliot Hartman on Hidden Valley Road, according to Chairman Lloyd Holton.

The federation's last general membership meeting of the season is scheduled for June 5, 8 p.m., and will probably be held at Town Hall, Holton said.

Board Accepts Bid For Construction

Acalanes board has accepted a $78,191 bid from Hugo Miller, Jr., Inc., General Construction, for the building of lockers, showers, and a covered corridor on the new Las Lomas school site.

The school board has also gone on record "as favoring" a letter recently written by the Mt. Diablo Council PTA to the County Planning Commission recommending that the Commission take action to see that provision be made for adequate school sites before building permits are granted to tract developers.

Contractors to Hold Meet Here Tuesday Evening

Prospective members and new members of the General Contractors Association of Contra Costa County are to be honored at the membership meeting of the Association to be held at 7 p.m. next Tuesday, May 22, at Planters Dock.

Lieutenant Governor Goodwin J. Knight is to be the guest speaker and Neils Schultz, Sr., regional vice-president of the National Association of Home Builderse, will outline the necessity of membership in a national organization in order to maintain a volume of building construction sufficient to meet the needs of the American public during the period of national preparedness, it was announced by Donald J. Lawrie, Lafayette builder, president of the association.

Dan C. Peacock, Jr., Orinda builder and a national director of the NAHB, will report on the National Board of Directors meeting in Washington, D. C., May 14-17.

New members of the association will be introduced by Sherman L. Balch, Walnut Creek builder, chairman of the association's Housing Industry Mobilization Drive, sponsored by the NAHB.

Lawrie stated that all contractors, subcontractors, material dealers and others affected by the Home Building Industry are invited to attend the meeting and urged them to contact the offices of the General Contractors Association at 1731 Mt. Diablo Boulevard, Walnut Creek 6422, for reservations.

Hi-Lites on Hi-Life

By DON and DONNA

A WHILE BACK a list of service men was printed in this column. Here are some additions to that list.

Noel Murphy, who was in the class of 1946, is now a Marine. He's in Korea at present.

Sam Slauson, who was in the class of 1949, is in the Navy and is now stationed at San Diego.

Bruno Chiavini, who was in the class of 1946, is in the Army and is now over in France.

While we're at it we'll mention the women warriors of Acalanes.

There's Mary Van Voorhis in the Lady Marines, and there's Jackie White in the WAFs.

Anyone who knows of someone in the service that we've left out, write down the name, service, class that he or she graduated in, and where he or she is stationed, and leave the information in Room 108.

LOST DOGS: Several dogs have disappeared from their homes in Orinda.

One of the dogs which was lost belonged to Jan Erikson. His dog was a pure white Norwegian Elk Hound.

For you who don't know what a Norwegian Elk Hound is (and who does?), it is very similar in looks to a husky. This four-year-old dog has been missing for two weeks. Anyone with information about this dog, call Orinda 5811.

Still another victim is Toni West. She lost a cocker spaniel named Rekco. It was a little smaller than average, with light brown coloring.

She also lost an English Setter named Ben. It was average sized, white with small black spots all over, and black ears.

GRAFT AND CORRUPTION in the county government?

The classes that visited the sheriff's office, jail, etc. at Martinez quite a while ago had their pictures taken. Each person was promised a copy of the picture.

This took place months and months ago, and not one person has received his picture.

THE SENIORS from here on out will be very busy people.

There will be all sorts of rehearsals and practices.

This will mean that they will be out of their classes quite a bit from now on.

Rough!

WE'RE NOT SUPPOSED to mention sports in this column because there already is a fine sports section in this paper, but we have to congratulate all the sports teams and the individuals for their excellent showing this year.

Track, swimming, golf, and tennis all did exceptionally well.

This has probably been Acalanes' best year in sports.

Don't burn without a permit.

Brakes Aren't Enough, States Pastor Berven

"To many people being a Christian appears to be just a matter of refraining from doing certain deeds. But being a Christian is far more than just putting on the brakes," declares Pastor Luther Berven of Our Savior's Lutheran Church, Lafayette.

"Jesus says in Matthew 16:24 — 'If any man will come after me, let him deny himself, take up his cross, and follow me.' A Christian then is one who believes in Christ as God's Son and his Savior, and lives the kind of life that proves his faith."

On Sunday morning Pastor Berven will preach on the sermon subject, "More Than Putting on the Brakes."

The "Early Bird" Service is at 8 a.m., Sunday School at 9:30 a.m., and the Morning Worship at 10:45 a.m.

Chit and Chat about Don and Donna

By MARY THIES

WELL, HERE IT IS, May 18.

In case you don't already know, tonight is the Spring Festival at Acalanes. If you haven't made plans to attend this program — you'd better hurry.

Another important event that is approaching is the Senior Ball. This is the biggest dance of the year. It will be held Saturday, May 26, and nobody should miss it.

Come on, you boys — that girl you want to ask probably wants to go with you — so hurry and ask her before somebody else does.

AFTER MANY WEEKS of preparation, the talent show put on by Gordie Hooper was finally presented at a special assembly.

Everybody enjoyed the show and I'm sure if more assemblies of this type were planned everyone would be happy.

Bob Wallis and Joie Pearson, in their act to the tune "How Could You Believe Me — etc.," stole the show. I bet many girls in the audience were jealous of Bob!

Bill Sparling also did his share of adding to the entertainment. Besides becoming a delightful Spanish Senor, he was also a very convincing cowboy.

Many other people from Orinda were in the show, including Judy Johnson and Marianne Sommers.

ART SILER, A JUNIOR, is running for Student Body president for next year.

Art moved from Berkeley in the summer of '49 and has attended Acalanes ever since.

Besides being president of the Junior Class, he is also very interested in sports. A few of the activities he has participated in are the Variety Show and the Junior-Senior Banquet.

IT LOOKS LIKE SOMEBODY else has won an award. Janet Chantler got an Achievement Award for ability and scholarship in liberal arts.

She competed against other East Bay high school students. Good luck at the next competition, at San Francisco May 23.

Congratulations to the track team for winning the County Meet. Good luck in the North Coast meet.

Another television party held recently in Orinda was given by Nancy Wise. A few of the guests present were Bonnie Traskowski, Tom Klement, Jane Rogers, Jerry Ortland, Janice McNamara, John Inman, JoAnn McCullough, Hans Oltopher, Sue Small and Dick Doty.

NEWS FLASH — Carol Jean Earle has been practising very hard seventh period for her next track meet. Good luck on the track team — in more ways than one!

It looks like I'm running out of space so I'll close until next week. Don't forget the Senior Ball. Cinderella met her prince charming at her ball — who knows, you might meet yours.

Talk on 'No Mystery in Orchids' Fascinates Guild Members

By CARRIE L. BROWN

The Women's Guild of the Orinda Community Church heard Cyril Warren speak on "No Mystery in Orchids" recently.

Mrs. Wirtable Harris introduced the speaker after dessert was served.

The story of orchids, said Warren, begins 438 years ago, when a botanist collecting jungle specimens previously unknown in England sent to the Kew Gardens a box of rare plants from Mexico.

When the box arrived it contained only a mass of decayed vegetation. Near the bottom was a small skull with a plant in it. This proved to be an orchid.

"Through the years 670 men were sent to the tropics to gather orchids, but only 35 returned alive. The Kew Gardens in 1911 began a two-year apprentice course in orchid culture and collecting, with the number of apprentices each year limited to 26," Warren said.

WHEN CYRIL WARREN was 19 he was an apprentice. At the time the Kew Gardens had 52,000 species of orchids. His first assignment was to accompany a party of 16 to collect orchids in the Orinoco River country for Baron Rothschild.

At Bolivar, they left the ship and went in two canoes up the river with a French naturalist, Eugene Andre. They could make but 10 miles a day. After traveling three months, they came to some rapids. They decided to pull the larger and more heavily loaded canoe up the rapids by a rope and tackle fixed to a convenient overhanging limb.

All went well for a time. Then the rope slipped off the wheel. A native was sent up to try to put it back. Instead, he whipped out a knife, cut the rope, and the canoe fell into the rapids and was quickly dashed to pieces and all its valuable contents lost.

IT WAS DECIDED that eight men of the party, among whom was Warren, should take the small canoe and go back for another canoe and more equipment.

It took six weeks to go down the river and three months to row back. When they arrived back at the rapids, the eight men who had been left there were gone; they were never heard from again.

Such was the fate of those who had drawn the short stick! But the expedition was successful.

Warren served as a captain in the British army during World War I. Then he was sent to Africa to teach the natives how to grow cotton, corn and palm oil trees for the British government. Here he met a young missionary who later became his wife.

Twenty years ago Warren and his wife came to California. They started a nursery in Berkeley at Addison and Fifith Street.

WARREN TOLD his audience that orchids of the lady's slipper or cypripedium variety may be grown outdoors in a shady spot. Many varieties may be grown in the house or in a greenhouse at a temperature comfortable for oneself. They require no fertilizer. Orchid plants have a very long life. They require less time in their care than any other plant. All that is necessary is to dunk the plant in lukewarm water once a week.

A freshly cut orchid flower, said Warren, should be put in water for 12 hours and then left out of water for 12 hours. Those who have potted plants outdoors should put them in the garage in frosty weather.

Warren answered many questions after his talk. From now on probably more orchids will be raised in Orinda, for Warren did take the "mystery" out of orchid raising.

After Warren's talk there were delightful solos by Mrs. Dan Popovich. These were followed by an inspirational devotion by Mrs. Jesse McMillan. Mrs. William P. Mott gave a report of the Church Women's meeting at Hayward.

Mrs. Ralph Phelps conducted the business session of this May 1 meeting. Plans for the annual June luncheon at the home of Mrs. Woodburn K. Lamb on June 5 at 12:30 were announced.

The program will feature modeling of authentic period costumes by Mrs. S. W. Gehrig, assisted by Guild members.

School Trustees Election Today

Today's the day to vote for school trustee!

In addition to choosing a trustee for the Orinda Union School District, Orindans will help elect two trustees of the Contra Costa Junior College District and a trustee for the Acalanes High School District.

Incumbent J. S. Fraser is the only candidate for the Orinda School Board, and incumbent John F. Chaddock is the one candidate for the high school board. For the junior college board, candidates are Elton Brombacher, and O. J. Wohlgemuth, incumbents, and LeRoy Charles Merritt.

Your polling place, the Orinda Grammar School, is open from 7 a.m. to 7 p.m.

Family Picnic Games, Prizes For All Sunday

Prizes for all are assured at Sunday afternoon's Family Picnic of the Lafayette Community Methodist Church at Redwood Canyon, according to Rev. Harry E. Shaner.

Games and races for everyone will be a feature of the outing, with one scheduled highlight listed as "Old Man-Young Man Softball Game." (No age-limit dividing line between the respective teams is announced, however, so maybe the players will be as young—or old—as they feel.)

Families driving to the picnic are asked to stop at the church first, at 2:15, and pick up youngsters whose parents are unable to go. Each family is requested to bring enough food for itself, and more. The Church School will furnish beverage and dessert.

After the full program of fun and food, a closing vesper service will be held around a campfire, with George Shoptaugh leading and a brass quartet accompanying.

It is planned to start leaving the picnic grounds about 7:15 p.m., for the trip home.

Who Won What at Rotary's Big Field Day

Chances are that if you were looking for your friends and neighbors in Orinda between 10 a.m. and 2:30 p.m. last Saturday, they and their entire families were at the Orinda Grammar School grounds.

Occasion was the First Annual Orinda Rotary Club Field Day for boys and girls of the Orinda and Glorietta Schools.

IN THE BRIGHT SUNSHINE and despite a brisk breeze, some 325 youngsters from fourth through eighth grades took part in the many events, according to Superintendent of Schools Joseph L. Sheaff, chairman of the Rotary committee for the big day, who was assisted by Rotary President Frank Olsen and Frank Isola, physical education instructor at the schools.

Hardly less enthusiastic than the children was the crowd of almost 300 adults who watched, cheered for Junior, joined the youngsters in munching hot dogs and sucking popsickles.

(See separate story for the serving of refreshments by the Orinda Mothers Club.)

"EVERYBODY COOPERATED, and the affair was so successful that it will certainly be an annual event," Sheaff said. "A lot of credit goes to Frank Isola for the hard work he did in preparation for the Field Day."

Following is the list of winners (first, second and third place, respectively), as announced by Sheaff:

4th Grade — 50 yard dash: Peter Olsen, Ronnie Brown, Bob Hudson.

5th Grade — 50 yard dash: Rickie Davis, Phillip Branch, Mike Cathrall.

Woodlands Barbecue 26th—for Fun(d)

Victory celebration is what Moraga Woodlands Association's outdoor barbecue and dance at Carroll's Ranch near St. Mary's College Saturday night, May 26, will be . . . and fun . . . but also more, according to Jasper Allara, publicity chairman for the event.

From all the hilarity, high-jinks and entertainment, the association hopes to raise funds for its treasury, which was depleted by its recent successful court case against substandard home-building.

In a precedent-setting verdict, Superior Judge S. C. Masterson upheld Moraga Woodlands in its effort to prevent Charles C. Scurich, San Francisco builder, from constructing a home contrary to deed restrictions, "including the restriction against constructing a building of less than 1,000 square feet floor area."

Moraga Woodlands officials hope that people from throughout Orinda will turn out for the May 26 shindig, since the court victory benefited the entire community.

Festivities will start at 7 p.m. There will be a barbecue—steaks for the adults, hot dogs for the kids. There will be swimming. And the entertainment will include Fred Udall in a specialty skit, Jasper Allara doing his "Five-Foot-Two" skit from Absurdia in Suburbia II, Pat Schmidt with novelty hula numbers and Beverly Bartlett in a "baseball" takeoff.

The committee for the affair consists of James E. Lindsay, chairman; Bill Jackson, William P. Wood, Jasper Allara and W. R. Arends.

Cubs Will Play Alamo, Be Guests At Oaks Contest

Due to play Alamo Cub Pack 53 in a league game at Glorietta School tomorrow morning, Orinda Cub Pack 52 team held its first evening baseball practice at the school grounds Wednesday.

Cubs and their parents are urged to turn out in force for tomorrow's match.

Tomorrow afternoon, pack members will participate in "Cubs' Day" at the Emeryville ball park ,when cubs from all over the East Bay Area will be guests at the Oaks game.

Cubs of Pack 52 have been asked to wear their baseball uniforms to the game, which starts at 2:15. Boys and attending fathers will meet there.

PLANS FOR THE JUNE Pack 52 meeting were made at the monthly committeemen's session Monday at the home of Fred Mulks.

The circus theme will predominate, according to Bob Anthonisen, publicity chairman. There will be a circus parade and each den is to present a skit in keeping with the theme.

PRESENTATION of awards, graduation of 11-year-olds out of cubbing and a Webelos ceremony for those boys who have qualified for this highest cub rank within three months of their eleventh birthdays will also highlight the program.

Meeting date and locale for this session will be announced later, as the school will not be available at the usual time, Anthonisen reported.

The May pack meeting, held last Friday, featured the annual Fathers and Sons banquet and program. Pack mothers prepared the tasty dinner for the occasion.

GAMES AND CONTESTS, for which prizes were awarded, and the showing of three films entertained the boys and their fathers.

Cubs are anticipating the annual Diablo Area Cub Pack picnic and jamboree which is scheduled for June 16 at Acalanes High School.

This event, which marks the last cubbing activity of the 1950-51 year, will be highlighted by the play-off for the league baseball championship.

County Alumnae Hold Gamma Phi Beta Meet

Gamma Phi Beta alumnae of Contra Costa county held their monthly meeting Thursday night of last week at the Orinda home of Mrs. Wilson E. Cline.

Mrs. Clifford Nelle conducted the business meeting, which included discussion of a campship for a needy child. After the meeting, the group completed scrapbooks for children, to be distributed where requested.

As a thank-you gesture, a lovely camellia plant was presented to the outgoing president, Mrs. Don B. Woodcock, in appreciation for her work in founding the local alumnae chapter.

Those who attended the meeting and enjoyed Mrs. Cline's hospitality were Mesdames Conway Smith, Jr., Walter Eric Christie and William Patterson of Orinda; Mesdames George Rice, Douglas Johnston, Richard Brown and Richard Peters of Lafayette; Mesdames Clifford Nelle, Gene Saalwaechter, and David Stewart of Walnut Creek and Mrs. Robert Sisler of Concord.

Chiefs Attend Fire Meeting

Lafayette Fire Chief Shirley Peakes and Orinda Fire Chief H. E. Wyatt attended the annual meeting of the East Bay Hills Fire Protection Association at Orinda Willows recently.

Present at the dinner gathering were representatives from the California State Forestry Division, Monterey and Santa Clara County fire officials, officials of the School of Forestry and the Radiation Laboratory at University of California and fire chiefs from various departments bordering the East Bay hills.

Discussion dealt with fire precautions and fire problems that will face fire officials the coming year in forests and rangelands.

E.B.M.U.D. JOBS

The East Bay Municipal Utility District announces it is seeking qualified men for three positions in the laboratory control section of the new sewage disposal system soon to be completed by Special District No. 1 of the E.B.M.U.D. A civil service examination will be held May 25 to select a chief sanitary chemist, senior sanitary chemist and assistant sanitary chemist.

I'm Frank ...

. . . because that was my father's name, and I'm frank because I am in the hardware business, and if you are not frank, do not try to go into the hardware business.

To show you a good example of this I will tell you about the day that Tom Pauli from Overhill Road came into the store and asked me for a "thing-a-ma-jig" that fits on to a "what do you callit" that "goesinta" a "do-hickey."

Well, now this is my language and because I'm frank I told him he was all wrong. He did not need a "thing-a-ma-jig" that fits on to a "what do you callit" that "goesinta" a "do-hickey.'

What he really needed was a "gimmick" with a "Gadge" on the side of the "dingle-hop."

After we knocked each other out with this highly technical hardware lingo, he finally bought a pair of pliers and a piece of wire and said, "Oh, heck, I will fix up the old one."

Frankly, I am still puzzled. What he was going to fix, I dunno. But that shows you how interesting the Orinda Hardware is.

YOU CAN ALWAYS GET your problems solved here, even if we both don't know what they are.

Speaking about Orinda Hardware being an interesting place, let me tell you about another good customer.

Tom Bacon put on his shoes and came down out of the hills of Orinda (Miner Road to anyone who has not heard of the hills of Orinda) and hitched his hoss to our hitching post, shuffled into our store and, in Western style, drawled "I'm jest a lookin' around, stranger, and I don't want no city slicker salesman bothering me. I've always enjoyed museums" said Tom "and I have name dthis joint 'Olsen's Modern Museum'."

He told me that every time he came in he found a lot of new merchandise and many interesting gadgets ("Frankly, because of this, I also get a very interesting bill at the end of the month," said Tom).

"Now take that automatic apple peeler and corer," he said.

"No, you take it," I said, "and that will be $3.50, please."

"Slow down, cue ball," he snapped back. "I told you, I am here jest a lookin. But anyway," he said, "just imagine all you do is put the apple on this thing and, when you turn the crank, it peels the apple and takes out the core."

"Same like the Beanex," I told him, "which sells for $1.00. All you do is push the string bean through it and it comes out shredded, cuts off the string and chops off the ends."

"Yep," said Tom, "why this joint is even better than a musuem."

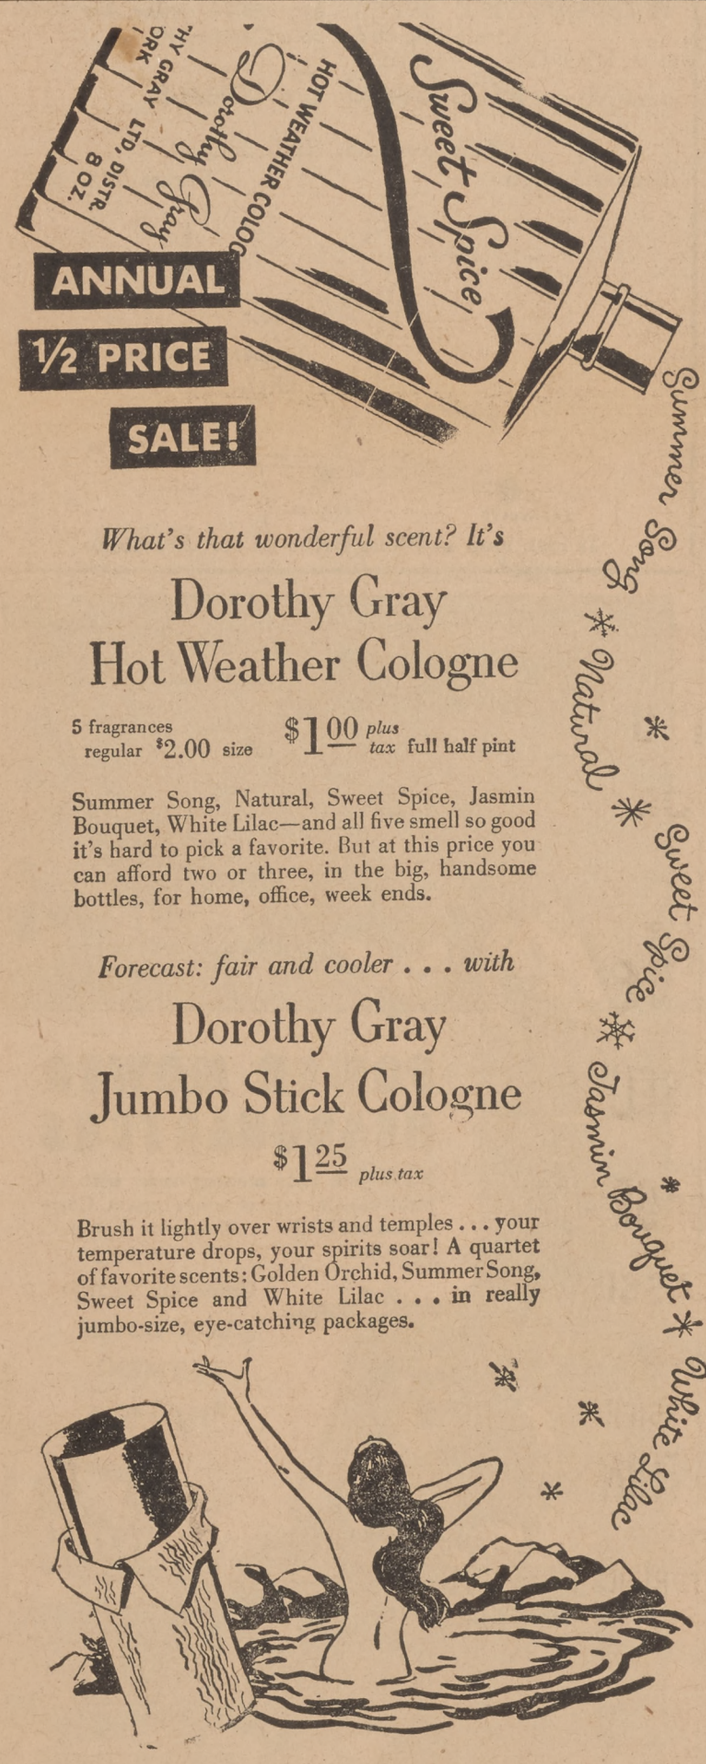

WELL, TOM IF IT WEREN'T for swell Orindans like yourself, who support your home town hardware store, we would not be able to stock all this interesting merchandise. You and Orinda have been swell to us here at Orinda Hardware and, because you have been patient with our shortcomings, we have tried and will always continue to try to get articles you may need which are not already in our stock.

Many times Orindans have called from San Francisco and asked us if we had "something or other" and, if not, how long it would take us to get it, because they could buy it in San Francisco, but they would much rather get it in their own home town if it was possible.

When you have friends (and we have no customers in Orinda; everyone is a friend) like that to deal with, it's no wonder that it is such a pleasure to be in business in Orinda. I said it and . . .

It's Deadline for Annuals-Planting But You Still Have Time If You Hurry

By BERT WRIGHT

IT'S NOT TOO LATE to plant annual flower varieties.

May is truly the deadline month for a lot of the annuals but you still have time to plant if you hurry.

The plants should be set out this month so they may have a long enough season to reach their maximum development before they begin to bloom.

THE SPRING SUN now is really warm and the temperature of the soil is approaching the point where all seeds can safely be sown directly out in the garden. Given an ample supply of moisture and good seed, germination should be very rapid.

If the soil has been supplied with enough plant food to give the seedlings a good start, their development will keep pace with the rapid growth that marks this period. Root growth should be encouraged, and to help this along a little superphosphate mixed with the soil at seed planting time will do much to stimulate development.

AMONG THE ANNUALS that should be sown are all the zinnia types. They include not only the various large flowering types but the pom-poms as well.

Thin zinnia seeds early and give them plenty of room or they will become spindly. The first thinning should leave the young plants three to four inches apart. A week or so later space them to nine inches apart.

Pinching out the growing tip when the second pair of leaves has formed will force the plants into branching low down on the stems. As flowering time nears, give the plants plenty of food and water for large blooms.

ALL THE MARIGOLD types, too, are in much the same category. Particularly attractive are the few varieties of the little fine-leaved marigold that grow into low, dense mounds, completely hidden in a mass of golden flowers.

For tall growth and quick show, plant the Sunset Giants, Yellow Supreme or All Double Giant Orange. Space the tall kinds about 18 inches apart and the little fine-leaved varieties six to eight inches apart.

ASTERS MAY BE set out in plant form or seeds, whichever you prefer.

Of course, the plants will be much farther in advance in blooming.

MRS. E. —. OF CONCORD wants to know if Bearded Iris can be transplanted this month.

Bearded Iris can be transplanted at almost any time of the year. If closely divided, spring planting may result in no bloom, as the flower buds form in the fall.

MRS. N. R. OF ORINDA writes: "Recently I fertilized my lawn with a commercial fertilizer, and after three weeks the lawn has shown no growth, and moss has formed over the lawn area. The lawn is planted under oak trees and is shaded most of the day. Is the soil too acid? Have you any suggestions that will correct this situation?"

SEVERAL THINGS may tend to cause this problem. Moss is not a true indicator of acidity, but have soil tested. It will be well to check drainage conditions.

If moss did not appear on the surface before the fertilizer was applied, it may be that you applied it too heavily. When commercial fertilizer is applied too heavily it may "lock" and not become available to the lawn until the surface has been limed. This liming will set the fertilizer to working, as well as correct the moss condition in the lawn.

Diamond K Sez . . .

THE "PLANT A new lawn" season is now in full swing and the first thing to consider in planting a new lawn is the condition of your soil.

A person putting in a new lawn in this area has two alternatives. First you can doctor the ground and fight the adobe with gypsum, sulphur, peat moss, etc., or you can have top soil hauled in. Either way is fine and Diamond K is prepared to solve either problem.

IN ANSWER to many queries about top soil, its coverage and cost, we are going to give you this handy chart so you can figure your own approximate needs. One cubic yard of top soil will cover approximately:

314 sq. ft.	1 in. deep
157 sq. ft.	2 in. deep
105 sq. ft.	3 in. deep
74 sq. ft.	4 in. deep
63 sq. ft.	5 in. deep
52 sq. ft.	6 in. deep

In other words, an area 10 ft. long and 10 ft. wide will be covered 3 inches deep by one yard of top soil. For more information on top soil, read our ad in another section of this paper and then call us.

WHEN YOU GET ready to plant your lawn, don't forget that Diamond K has a wide variety of lawn seeds and mixtures to fit every need. Be it for a course, hardy lawn for the children's area or back yards or if you desire a rich professional-looking lawn for the attractive side of the house. We also have spreaders and rollers available if you wish to put in your own lawn.

Don't forget, whatever your home or garden needs may be, try Diamond K.

Another County Title! Golf Was Dons' Walkaway

The golf team of Coach Ed Dilling literally walked away with the county title when it won every flight in the matches played at Orinda Country Club last Friday.

Bob Diehl, Mike Elvidge, Jack Stoeffel, Dave Cranston and John Barnett were all winners in their respective flights.

Bob Diehl took medalist honors with an 86 shot under adverse weather conditions.

THE TOTAL SCORES found the Dons with a low 437. Pittsburg, last year's champs, ended up in number two spot, with 555.

Antioch was next with 556, and Mt. Diablo showed 584.

THE WIN GAVE the Dons another large trophy emblematic of the county championship.

This additional award will take its place in the rapidly-becoming-crowded Acalanes trophy case.

Here's Acalanes Sports Events For Next Week

Next week will find Acalanes High School athletic schedule giving indication of slowing down after a fast and full season of spring sports.

All in all, it has been a most successful season for the Dons.

BASEBALL as a high school sport ends for the season today when the Don Varsity travels to Pittsburg.

Next Monday finds the divot diggers at it again when they meet up with Berkeley High at the Orinda links.

SWIMMING IS SET for two relatively light workouts when Alhambra comes to town next Wednesday.

On the track calendar, the State Track meet is scheduled for Edwards Field on the University of California campus Saturday, May 26.

THERE IS AN OUTSIDE chance that Acalanes may qualify someone to take part. The North Coast finals are run at the same Edwards Field tomorrow, and qualifiers for the State Meet will be place winners.

Competition is keen, with all Northern California taking part, and will be even keener next week when the Southland comes North.

Track is really the sport "down under" and year after year the lads from there walk away with top honors.

Ahead 'til 7th, Legion Loses to Associated, 2-1

The Lafayette Legion-sponsored nine got back into action in a recent encounter only to lose out 2-1 to the Associated team.

The local nine led 1-0 until the fatal seventh, when the visitors tallied twice.

The Legion scored in the opening inning when Richard Munn walked, went to second on a fielder's choice, reached third on a passed ball and scrambled home when the pitcher, Dave Jordan, threw wild in attempting to pick off Andy Monsen.

Monsen had reached first on a base on balls and went to second on the pass ball.

THE WINNING RUNS of Associated were scored after Fred Swanson, first man up, singled to left field only to have the next batter, John Parrot, pop up to Shortstop Richard Munn.

Catcher John Champlain got his glove in the way of Bill Newman's bat, and Newman went to first, with Swanson advancing to second when the umpire ruled interference.

AT THIS POINT successive singles by Bill Miller and Roy Ulrich scored the two runs which meant the game.

Rick Johnson pitched for Lafayette and gave up six hits, while Jordan of Associated yielded four safeties over the seven innings.

Acalanes Trims Not-So-Devilish Diablo, 8 to 4

The Don Varsity Reserve baseball team trimmed the horns of the Diablo Devils at Acalanes Field Wednesday afternoon.

The final score of 8-4 resulted when the Dons scored twice in the second, four runs in the third, and two more runs in the fourth, while Diablo hit pay dirt once in the first and three time in the fourth.

BUZZ FERRARESE, Don left fielder, was in the groove as he boomed three for three and scored twice, as well as driving in three runs.

George Fortado, Frosh first baseman, hit a 330-foot home run to score a run ahead of him in the second inning.

RICHARD TING was the winning pitcher, with Rick Johnson doing a fine relief job in the final three innings as he shut the opposition out while yielding but one hit.

Varsity Mermen End Up 4th in North Coast Meet

Don Varsity swimmers met up with some stiff competition in the North Coast Swimming Meet at Stanford last Saturday.

Berkeley High won top honors with 59½ points. Palo Alto scored 56, Sequoia 23 and Acalanes 23.

TOM ROEMER was third in the 50-yard free style event.

Dick Hubach came through with a second in the 200-yard free style.

BROOKS DE LANEUX garnered a number three spot in the 100-yard breaststroke and ended up in the number six spot in the 150-yard medley.

In the Bee event the Bees ended the day's competition in fifth position.

Faculty Wives See Cancer Films

The Acalanes faculty wives held their monthly get-together last week at the Walnut Creek home of Mrs. Claude Fancher.

Main feature of the evening was the showing of two educational films put out by the American Cancer Society on cancer and its detection. After the film presentation, the group asked questions of Dr. E. C. Gerow, who attended the meeting with Mrs. Gerow for that purpose.

Those present included Mesdames Lee Russell, Gerald Brown, Robert Stevens, Robert Lord, Webster Wilson, Arthur Dambacher, Alex Winchester, David Stewart, Charles Eaton, Edward Lahey, Leland Arth, Robert Thom, Ross Reagan and William Ross.

Tussing Now on Employer Board

Ford M. Tussing of Western Industries was named as one of the ex-officio members of the board at an election of United Employers, Inc.

Fred A. Cutter, vice-president of Cutter Laboratories, was reelected president of the organization and E. A. Woodside named vice-president and general manager.

Tussing, a resident of Lower Happy Valley Road, is a former president of United Employers.

North Coast Meet Tomorrow Next Test For Those Don County Track Champions

By ERWIN MATTSON

ACALANES TRACK TEAMS did o.k. when they came through to cop the county title and made a good showing for the North Coast Section meet tomorrow.

Chances are that the Varsity will be better than ever in '52. There will be a host of returning lettermen in addition to graduates from the Bee division.

Track fans will be flocking to the North Coast meet at Berkeley tomorrow.

The red-letter day will be a week from tomorrow — Saturday, May 25, when the State meet takes place at Edwards Field at the University of California.

LEGION BALL on a "national" basis swings into action this weekend. **Eight teams are tentatively entered, with opening games set for tomorrow.**

Plans call for two games a week and a double round-robin.

THE NEW LEAGUE will give Lafayette Legion two teams, with one playing in the under 16 county league and the other in the 17-and-under competition.

Antioch, Pittsburg, Walnut Creek, Martinez, Lafayette El Cerrito, Richmond and Danville are the tentative entries, with Martinez and Danville on the doubtful list.

It is planned to hold a number of games as twilight affairs in hopes of drawing some fans who would otherwise be unable to attend.

CONTRA COSTA JUNIOR COLLEGE East Campus closed out its baseball season against San Mateo last Saturday.

It dropped a double-header and with it the championship.

Four former Dons took part in the play, with three from Contra Costa and one from Menlo.

George Guppy, Clark Gelhaus and Sam Dawson were the Contra Costa players.

Roy Van den Heuvel was doing his stuff for San Mateo.

Roy had a big day at the bat, getting on base every time. He netted six hits and two walks.

Don Track Team Ties for 4th in North Coast Meet

The Acalanes track team enacted a strange role when it ended up in other than first place in the North Coast Sub-Section meet at Richmond last Saturday.

Competition was keen and found some Dons rising to heights while others fell down. The Dons tied with El Cerrito for fourth place.

BEST MARK OF THE DAY was the 5 feet, 11-3/8 inches cleared by Bill Powers in the high jump, which was good enough for the number one spot.

Other place and point winners were Gary Coad with a fifth in the high hurdles, Bob Wickman with a fourth in the high hurdles and Art Siler, who added two more points with his fourth in the discus.

Ed Broome had a fourth in the broad jump and Ed Grueb had a fifth.

STRENGTH OF THE competition is shown by the fact that Broome's jump was 21 feet, five inches while Grueb sailed 20 feet, eight inches.

Darrell Crossman had a fifth in the 100 and the same in the 220, while Joie Pearson was fourth in the 440 and Cort Bacon was number four in the mile run.

Neil Caldwell added a tie for fourth in the pole vault.

FINAL STANDINGS showed Richmond out in front with 71½ points, Piedmont second with 34½, Pittsburg third with 29 and Acalanes tied with El Cerrito for fourth, at 27-3/4 each.

Do you realize how much it costs when you drive through the tunnel to shop?

Dons Play Final Baseball Game at Pittsburg Today

Final Acalanes game of the baseball season will be played this afternoon at Pittsburg.

The Pitt Pirates defeated Crockett 11-3 last Friday and erased what chance the Dons had of ending in the top spot.

PITTSBURG IS UNDEFEATED in league play, while the Dons have dropped two.

A win today would put Acalanes in the number two spot.

BOB BORGHESANI looked very impressive in setting down Alhambra last Friday.

Either he or Bob Westlund will probably get the starting call today.

Varsity Mermen Beat Washington But Bees Lose

Acalanes swimmers split in their meet with George Washington High of San Francisco at the Acalanes pool Wednesday afternoon.

The Varsity paddled to a relatively easy 58-17 win, but the Bees came out on the short end of 32-29.

In both meets Coach Leland Arth shifted his men around considerably from their usual events.

In one case in particular, this paid off when Dick Hubach set a terrific pace in the 100-yard free-style race to stop the clocks at 57.3, smashing the 1947 mark of Phil Chapman and consequently setting a new record.

Dick's specialty has been the 200-yard race, where he holds school and county top marks.

In the Bee event, another champ, Bob Harrison, came through to lead the field in the 100-yard free-style with a new record time of 1:01.7.

Ace Defense but Reserves Lose

The Acalanes Varsity Reserves traveled to Richmond High last Friday afternoon and played some top-flight ball.

The Don effort was particularly good on the defensive side, against a strong Richmond nine.

BUT THE FINAL SCORE was 3-2 in favor of Richmond.

Rick Johnson did the mound duty for the Dons.

After a shaky first inning in which Richmond scored two runs, when Ray Gulbranson doubled, Rick settled down to throw some fine ball.

THE DONS CROSSED the home plate twice when Richmond second baseman Ray Hafford, committed an error on a ball hit by Rick Johnson.

This resulted in George Fortado and Jim Davis crossing the home plate.

15-3 Trouncing Given Alhambra By Acalanes Nine

Acalanes baseball players found the offerings of the Alhambra pitchers to their liking last Friday afternoon.

The Dons pounded out 16 hits and 15 runs, while Alhambra gathered four hits, two of the scratch variety, and three runs over the seven-inning stretch.

The game was played on the Acalanes diamond. The win marked the third in league play, as against two losses.

BOB WINKENBACH was the big gun of the day. He hit for three, two of them triples, and in addition scored three times.

Bob Fox boosted his batting average with three for three on a double and two singles, and made a habit of crossing home plate, scoring four runs.

THE DONS JUMPED to an early lead with three runs in the opening frame and another three in the second.

Five runs were added in the fifth on as many hits, and four safeties in the sixth added four more runs, to make 15 for the day.

ALHAMBRA'S SCORING came with two out on both occasions.

In the third they hit pay dirt twice, and once again in the sixth.

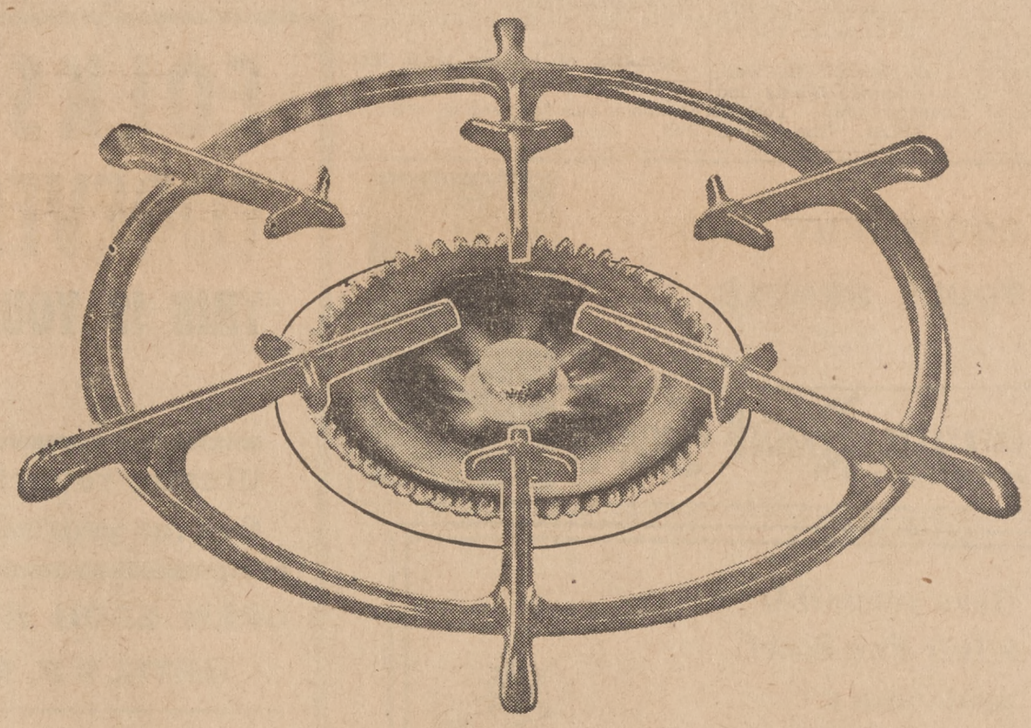

Executive Committee Holds Last Meeting

The executive committee of the Acalanes Parents' Club met last Tuesday at Mrs. T. E. Carroll's, president of the Parents' Club, for their last official parley of the school year and a "pot luck" dinner.

It's just as clean

...as a ray of sunshine

Natural gas is *pure*. Its clean blue flame forms no smoke or smudge—pots and pans stay shining bright. This amazing natural fuel is completely consumed and leaves no residue. Broiling is smokeless, too, in a modern, *automatic* Gas range as the efficient flame consumes spatter and grease-laden vapors. With Gas, you broil with the door *closed*. No matter what fuel you use, kitchens stay cleaner when you control cooking vapors with proper kitchen ventilation, and use tightly sealed utensils. There is no cleaner cooking fuel than natural Gas.

Plenty of hot water at all times for all your family's needs is yours with an automatic Gas water heater of ample capacity.

GAS... the modern fuel is so CLEAN!

Stanford Mothers To Hold Barbecue At Breuner Home

Stanford Mothers of the East Bay will hold its annual barbecue May 27, at the Richard Breuner Estate, Orinda, for members of Stanford Families and their friends.

International good will and better world understanding will be the theme for the day, as exhibited by the exchange of foreign born students at Stanford University.

After an informal reception of honored guests from the campus, Willard M. Waterous, foreign student adviser, will present in costume eight of his most talented exchange students in a program of native songs, talks, and dances.

Dr. H. Donald Winbigler, Dean of Students, Stanford University, will be the honored guest and speaker. The purpose of the party is to gain a better knowledge of Stanford by meeting some of its administrative and academic officers and seeing some of the work of its students.

Among the Stanford parents from this area planning to attend the barbecue and reception are Mesdames and Messrs. Edward M. Larmer, William Freeman and Theodore Lassagne.

Buccaneer Crew Receives Awards

Newly organized Sea Scouts from Canyon took part in a Bridge of Honor at the County Fair Grounds Auditorium at Antioch a recent Saturday night. Hosts were S.S.S. "Sea Lion 164," commanded by Skipper Harry Molstman.

Canyon Sea Scouts who received their apprentice awards were George Malvey, Bob Erickson, Richard Bierman, Ed Foskett and Arlo Compher. All are crew members of the S.S.S. "Buccaneer 58," skippered by Ray Ham, with R. Joynes and Les Noe as mates.

Almost 200 officers and men took part in the ceremony. The center of the auditorium floor was roped off in the shape of a ship, and each ship's officers were piped "aboard" in regular Navy style, viewed by about 300 spectators.

Visitors from Canyon included Mr. and Mrs. Bob O'Neil, Mr. and Mrs. Henry Bierman, Mr. and Mrs. Roy Joynes, Arlo Compher and recruit Joe Hobbs.

"Dates" of the Canyon crew were Misses Fay Cooper, Donna and Shirlian Lonergan, June Foskett and Bonnie Miller. The formal ceremony was followed by a Ship's Ball.

The Happy Country Folk

Spring has sent the Happy Country Folk scurrying off to distant corners to garner more fun and fame for the vicarious enjoyment of those of us who stay cozily at home in our lush little valley.

Professor Charles Camp recently went to Arizona to give a talk on paleontology at the university. While there he and Mrs. Camp visited Senator and Mrs. Wayne Thornburg, then on to Hollywood where they stayed with the Wendel Chapmans.

Incidentally, most of us who saw Walt Disney's "Beaver Valley" probably didn't know that the wildlife shots were taken by Wendel Chapman and were shown for the first time at the Camps' home in Orinda. Then the gadabouts, the Camps, not the beavers, went calling on the Randal Hendersons in Palm Springs and finally home so that Professor Camp could give his talk on fossils on the T.V. "Science in Action" program. Mrs. Camp confided in us that Charles is most photogenic. However, we are not so sure that the erudite Dr. Camp would appreciate that thought so just don't mention it to anyone.

The fortunate Freemans, James, Roseanna and son, Woody, are suffering those horrors of horrors—the passport picture, the typhoid shot and the difficult decision of what to take and what to leave home, and wish to goodness you had with you after you get there. Yup, Europe! We hereby promise to pry them loose from the fascinating facts for you when they return in several months.

The Raymond Ickes are leaving our verdant valley for a Berkeley home. Their final shot at community participation was a bout with the measles. The recumbent was their unfortunate four-year-old son. Too bad, we regret both situations.

Have you ever seen a pig spit? No, no not at the people! Just a pretty little porker roasting. There is another little matter which rather interests us. Have you ever seen the husband of a member of the Orinda Branch of the Children's Hospital wearing a Tahitian crown of ferns on his head? That idea is still in the pollywog stage and we pass it on to you in the strictest confidence but we prognosticate (Funk & Wagnalls, page 936, first column) that that idea alone is enough to assure the overwhelming success of the Orinda Branch's forthcoming Luau — assuming, of course, that all the husbands don't leave town first.

Speaking of leaving town. The recent trip to Hollywood by Nancy Camp during which she got herself all mixed up with Natalie Kalmus of Technicolor and Niven Bush who wrote "Duel in the Sun" has resulted in Orinda having a budding movie actress on its hands. Nancy is going to fly to Hollywood some near week and to take her part in a forthcoming movie the name of which hasn't been chosen but we will tell you when the time comes, never fear. Nancy also came in second in the national contest for the college editorial board of the magazine "Mademoiselle" with an essay and designs for collegiate clothes. All of that is what we casually refer to as "local girl makes good."

The most recent trip from Orinda to Berkeley was made by 2 Kappa Kappa Gamma fathers who went galavanting off to the campus for the annual Fathers' Dinner. We get our information from Fathers St. Hill and Bolman who told us about a couple of facetious parents (not the Orinda ones, naturally) who decided to man the telephone booth during dinner, to the unnerving and unending consternation of the poor beaus who happened to be calling on the phone at that particular time. Some of the remarks we heard were surely calculated to discourage all future telephonic communication from practically any boy to the Kappa house.

The Milton Selbys and daughter Betsy spent 10 days in New York awhile ago. They watched the United Nations in action at Lake Success and they witnessed exciting performances by the Dodgers, the Giants and the stock exchange. From there to Lake Forest, Illinois, where they visited Sheldon and Dorla Duncan recent Orinda exodites (an "ite" who has just made an exodus).

And now, in order to check up on the travelers, son Jimmy and daughter Joan are coming home for a few days to celebrate a family reunion and Jimmy's graduation from radio school.

Canyon News . . .

THE CLAUDE SEEDS home was the scene of a family reunion and birthday party May 11, Buddy's ninth birthday.

Present were Mrs. Seeds' parents, Mr. and Mrs. S. O. Freeman of Oakland; Mrs. F. R. Winkel and children of Milwaukee, Wis., and Mr. and Mrs. Neil Fuller, Jr., and children of San Leandro.

HOUSE GUESTS last week at the home of Mr. and Mrs. Claire Meacham were Mrs. Meacham's brother-in-law and sister, Mr. and Mrs. Collinske of Los Angeles.

Mr. and Mrs. Ivan Pine, accompanied by their mothers, celebrated Mother's Day in Monterey.

There was no school in Canyon Tuesday — all classes, accompanied by their teachers, traveled by chartered bus to Oakland to see the Shrine Circus.

Canyon Camp Fire Girls will be included with Oakland groups on a trip to a dude ranch in Lake County on Saturday, May 26.

EXPLORERS of Scout Troop 212 were hosts at a wienie roast for the crew of the Sea Scout ship Buccaneer 58 last Saturday night.

The boys, with their partners, then enjoyed dancing at the Canyon School.

Canyon cubs were so busy making Mother's Day gifts that they neglected their softball practice — they lost to Pleasant Hill last Saturday, 23-3.

The cubs' mothers now have some hope of trouncing their sons at the Cub-mother game scheduled for Sunday.

Will you be killed tomorrow? Drive very carefully.

Social and Clubs

Tea to Honor New Officers of Club

Mothers Club annual Spring Bonnet Tea, the final social event of the year, will be held Tuesday from 2:30 to 4:30 at the lovely Thomas Telfer home on Oak Arbor Road.

A delightful afternoon is being planned by the hostesses, Mrs. Clarence Davey, Mrs. Henry Minor and Mrs. T. M. Harrer, with the mothers of the Orinda afternoon kindergarten and both Glorietta kindergartens.

The tea will honor the new officers and the outgoing board and will also give one more opportunity to visit with the faculty. All mothers are cordially invited to attend. Child care will be provided at the Community Church for 50 cents.

Mrs Fink Guest of Van Gilluwe Family

Mrs. Elwood Fink of San Diego has been visiting this past month at the Orinda home of her son-in-law and duaghter, Mr .and Mrs. Frank Gilluwe of Charles Hill Circle.

The van Gilluwe's have three youngsters, Sara, Peter and George, who have enjoyed the company of their grandmother.

Mrs. Fink will leave next week for Topeka, Kansas, where another daughter makes her home.

COMPTOMETER OPERATOR

Contra Costa County Civil Service Commission announces an examination for the position of comptometer operator. Applications will be accepted until 5 p.m. June 1.

Mrs. Pillsbury Altar Guild Head At St. Stephen's

At the St. Stephen's Altar Guild meeting this week, Mrs. H. W. Pillsbury was unanimously elected president, to succeed Mrs. Paul Slattery.

Dr. and Mrs. Paul Slattery are leaving Orinda to take up residence in San Francisco. St. Stephen's regrets their leaving, as they were most active in the church affairs.

It also rejoices in being fortunate enough to find in Mrs. Pillsbury another churchwoman with a long and fine record. As Mrs. Pillsbury has been serving as an Altar Guild member, to fill the vacancy on the board left by Mrs. Slattery, Mrs. George R. Over was elected as the new member.

The Guild has received several memorial checks to be spent on appointments for the altar, and at this meeting two lovely imported pieces were viewed for the first time, including the beautiful altar candlesticks ordered from England by Mrs. Sayer Snook in memory of her son.

Delegates appointed to the Diocesan Work Shop to be held at St. Albans were Mrs. William C. Hagens and Mrs. James R. Sullivan.

Mrs. Walter Christie, Jr., hospitality chairman of St. Stephen's Auxiliary Board, has announced the appointment of Mrs. Ida Zamloch to head the Visiting Committee, to contact new Episcopalians moving into the Orinda area. Mrs. Zamloch will announce the members of her committee at a later date.

Don't forget the Box Supper tonight at 7 at the Robert Moorehead home, 36 Via Floreado! Fun for husbands!

Plan Final Bridge Section Meetings

The final Mothers Club bridge sections of the school year will meet today.

These morning and afternoon groups have been enjoyed by an ever increasing number of mothers, and are a very pleasant money raising activity. Players pay 50 cents a corner and are served refreshments. Over $300 has been added to the Mothers Club treasury through this activity. Jean Downs is chairman and Helen Kohler is co-chairman of this project.

The morning group will meet at the home of Mrs. Francis Wyatt, 14 St. James Court at 9:30. The afternoon group meets at the home of Mrs. John Barchfield, 567 Miner Road, at 12:30.

Women Golfers At Country Club

Semi-finals in the Orinda Country Club women's golf championship were slated to be held yesterday.

Mrs. Herm Small was scheduled to play Mrs. Ruth Noble, and Mrs. Ellie Sharp was to face Mrs. Marion Fee.

Defending Champion Barbara Dawson, who has been playing with the women pros in cross-country matches, did not enter the event.

Shipmates Will Hear World Affairs Talk

The regular monthly meeting of the Shipmates will be held next Friday evening, May 25, at 8 o'clock at the Ralph Phelps home ,6 Oak Lane.

A world affairs discussion, with speakers to be announced, will highlight the evening. Hosts will be Ann and Dick Copenhagen and Betty and Ed Richard.

Lion Golfers Play In Club Tourney

Orinda Lions Club golfers were on the elusive side Thursday, unless one happened to search for them at Orinda Country Club. The annual club tourney, a blind bogey contest, was slated for yesterday afternoon, with results not yet reported at SUN press time.

President Don Hunter is to award the Lions Club perpetual cup to the victor in the match. John Stoffel, last year's winner, and Jack Cooper were co-chairmen of yesterday's event.

The Orinda service club calendar discloses several important dates approaching. Tomorrow night, members and their wives will attend the zone "Ladies' Night" at Acapulco, Lafayette.

Orinda Boy Scout Troop 207 will be host to its sponsors at a bean feed Wednesday evening at Orinda Community Church.

Lions have been urged to reserve June 18 for the installation night program.

Dr., Mrs. Gompertz Give Breakfast Party

Dr. and Mrs. John Gompertz honored Mrs. Gompertz' mother, Mrs. Charles Bates, at breakfast at the Cliff House for Mother's Day. While there they were called upon to speak over the radio on Dean Maddox' program .

Book Section Hears Humorous Book Review

Section 4 of the Women's Guild met May 8 at the home of Mrs. Ralph Phelps.

The co-hostess was Mrs. A. K. Harmon. The devotions were given by Mrs. L. E. Wolfenden. The 20 women present enjoyed Mrs. Arthur Henry's review of "Our Spoons Come from Woolworth" by Barbara Comyms, a humorous story of the family life of a young married couple living in England.

In El Toyonal Home

Mr. and Mrs. Conway Smith, Jr., and their young son have moved to Orinda from Berkeley, and are occupying a house on El Toyonal.

RUMMAGE SALE

The Poplar Branch of the Children's Hospital of the East Bay will hold a rummage sale tomorrow at 6600 Shattuck Avenue, Berkeley, from 9 a.m. to 5 p.m.

Clippers Plan Progressive Dinner Party

A progressive dinner is the pleasant prospect for Clippers next Friday evening at 6:30.

It will start with the fruit cocktail at the home of the Robert Baldwins, 38 Park Lane Drive. The salad course will be found at the Jim Hupps, 15 Vallecito Lane. Then the main course will be served a few doors away at the Ted Schilling home, 94 El Toyonal. To complete the evening, the Kirk Miles at 11 La Plaza will be host and hostess for the dessert course.

For the June meeting the Clippers and Shipmates are planning a joint barbecue at Sequoia Lodge in Oakland.

Guest Preacher To Speak Sunday

Special guest preacher at Orinda Community Church Sunday morning at 11 is the Rev. Paul Griswold Macy of Chicago, one of the country's leading advocates of church cooperation on a world-wide scale.

Dr. Macy is the distinguished holder of the Charles Henry Brent Lectureship in Church Unit, a foundation having as its purpose the interpretation of world churchmanship to ministers, laymen and students. He is residing in Berkeley during the present term.

Dr. Macy's sermon topic is "The Church of the Living God," a subject in which his intimate connection with the World Council of Churches makes him a special authority. Known as a skilled interpreter and interesting speaker, he has participated in many American conferences, college convocations and theological seminary programs, as well as in many church services. For three years he edited the national bulletin of the World Council.

In the absence in Fresno of Rev. Fred Morrow, who is attending the annual meeting of the Northern California Congregational Conference, Dr. Macy will conduct the worship of the congregation. Margaret Popovich will lead the junior choir, with Dorothy Turk at the organ.

Sprouse-Reitz Honored In Contest of Windows

In a recent window display contest during National Sew and Save Week, the Sprouse-Reitz Company won honorable mention.

The display entries of the many stores throughout the United States were submitted by photograph and all entries in the contest were judged at the Hotel Commodore in New York. Jack Lee of Orinda was the display manager for the Sprouse-Reitz entry.

LUNCHEON AT CLUB

Among recent social events at Orinda Country Club was the luncheon and shower honoring Constance Louise Conmy of Oakland whose wedding to Robert Edward Prothero will be solemnized at Corpus Christi Church, Piedmont, next Thursday. Janice Smith was hostess at this pre-nuptial affair.

Do you realize how much it costs when you drive through the tunnel to shop?

12-15 Club Honors Members Leaving For Trip to Hawaii at Luncheon

The 12-15 Club meeting for a luncheon at the home of Mrs. Charles Malone, 22 Loma Vista Drive May 8 honored two of their members, Mrs. Millie Hickok and Mrs. James Sullivan.

The honored guests are sailing on the Lurline on May 28 for the Hawaiian Islands. They are anticipating a month of sight seeing around the islands. Mrs. Sullivan will visit her daughter, Kathleen, a student at the University of Hawaii in Honolulu.

The highlight of the luncheon was the presentation to each of the honorees of a ceramic set made by the clever fingers of Mrs. Murray Groves. The ceramic represented Mrs. Hickock in bathing suit lying on the sand on the beach of Waikiki with a wolf oggling her. Mrs. Sullivan was represented in a grass skirt lying on the sand with a wolf eyeing her. On each set were palm trees and a tiny volcano. The verses Mrs. Groves wrote to accompany each set were so humorous that they provoked gales of laughter all afternoon.

Lovely Gifts Concealed in Cradle

Nancy Harold Nickelman, daughter of Mr. and Mrs. Warren Harrold of Orinda, wos honored by a baby shower Tuesday at the home of Mrs. A. W. Elkinton on Honey Hill Road.

Lovely gifts concealed in a prettily decorated doll cradle were given Nancy by her friends Helen Oas, Dorothy Crosno, Betty Murley, Joyce Farmer, Mary Lou Wilkinson, Sybil Wilkinson, Frances Dayley, Cynthia Norris, Becky Fox, Jane Wentoss, Beverley Holmes, Beverley Keimer, Pauline Trane, Joanne Reed, and Mesdames C. T. Bergren, E. J. Land, A. Pasteris, James Anderson, E. A. Dawson and Clinton Paine.

Happy Birthday to You

SARAH VAN GILLUWE

With a Maypole cake and plans for an outdoor luncheon thwarted by the weather, a good time was still had by all at Sarah van Gilluwe's 10th birthday party April 28. The lunch was held indoors, and all sojourned to the theater afterwards. The guests were Donna Lane, Linda Hart, Jackie Conda, Karen Smith, Kathleen White, Amylee White, Lynnie Ballard, Chantal Lerch, Rita Kingham, Barbara Callies and Joan Foakes.

STEVE SHANK

The highlights of Steve Shank's fifth birthday were a puppet show and dart gun favors. Those joining in the celebration April 26 were Tommy Vail, Dickie Shirey, Tony Ayres, Margo Anthonison, Susan Carlson, Sharon Carlson, Jolie Weinraub, Christie Carlson, Dave Shank, Skippy Spiering, Blakey Spiering, Kenny Ratchiffe, Huey Kimball, Peter Kimball and Dennis Money.

THREE CARLSON GIRLS

Susan and Sharon Carlson are eight-year-old twins and of course share a birthday, but three-year-old sister Christy has hers only six days before, so they all celebrated together April 28. Their cousin Judy Carlson came up especially for the occasion, and also attended school with Susan and Sharon one day. Other guests were Susan Kronke, Diane Halsted, Claire Cianciraulo, Linda Shirey, Nancy Swabel, Susan Campbell, Sally Carey, Carolyn Demeter, Jan Miller, Joan Hall, Joan Radnich, Wendy Shuey, Jolie Weinraub and Margo Anthonison.

SUSAN RAY

Susan Ray entertained at a luncheon followed by the St. Moritz Ice Review April 29. The occasion was her 10th birthday. Her guests were Judy Gompertz, Jean Bodfish, Penny Marsh, Mary Dean, Cheryl Rasmussen, Gwen Buxton, Sally Johnson, Margaret Healey, Linda Eberhart and Nancy Veitch.

SCOTT HUNTLEY

Scott Huntley had a very exciting sixth birthday April 28, with home movies being shown and a magic show. The two magicians, Chuck Coburn and Harry Noller, put on a very professional show and really intrigued the youngsters. Those present included Kip Farrington, Ricky Merriam, Bobby Blue, Robby Spott, Ted Howard, Bobby Eberlin, Carolyn Coburn, Joan Reilly and Roxie Huntley.

SUSAN NATTRESS

Susan Nattress' seventh birthday celebration was a dinner party May 14. The youngsters ate by candlelight and played games in the patio at her home at 90 Tara Road. Susan is the daughter of Helen and Jim Nattress.

Guests were Kenny and Karen Nattress, Carol McMillion, Jamie Fox, Maureen Daley, Cathy McGowan, Cheryl Pauley, Susan Pollaczek, Linda Kooreman, Linda Lindsay, Susan Nicolaysen, Jeannette Miller, Kitty Mika and Tara Doty.

Following a chicken dinner, the youngsters had cake and ice cream.

RONALD WINKLER

Boy friends of Ronald Winkler enjoyed a good time at Ronald's Lombardy Lane home when they celebrated his sixth birthday Saturday afternoon. Some lively games and contests preceded the party refreshments, which featured a birthday "pudding" from which the boys pulled ribbons to get the favors dear to small boy hearts—tiny motorcycles, space ships and hot rods. Ronald's guests were Jack Witter, Cory Lowther, Rod Robinson, Scott Tyler, Neil Rose, Paul Locklin, Creig Dudley, Kendall Dudley, Gregory Starkman, Stephen Cantrill, George Hollander and his sister Arlene Winkler.

It's Pot Luck For Seafarers

Ship ahoy, Seafarers! Your next cruise will be Saturday, not Friday, evening, May 26, at the A. W. Elkinton port, 11 Honey Hill Road. All will help fill the galley with prepared dishes for a potluck supper to be served at six o'clock. Please phone the lookout, Mr. and Mrs. E. T. Meakin, Orinda 2107, if you will be on this cruise, and what your contribution to the potluck will be.

Kai Erikson Sings In Chorus at Reed

Kai Erikson, son of Mr. and Mrs. E. H. Erikson of 25 Haciendas Road, sang in the chorus of "Patience," the Gilbert and Sullivan production given by Reed College, Portland, recently.

For the fifth consecutive year, Reed students and faculty combined their talents in song and jest for a Gilbert and Sullivan opus. These Reed productions have been so successful as to attract audience from Portland and its environs.

Erikson is a sophomore at Reed, majoring in literature. He came to the college as a transfer from the University of California.

Will you be killed tomorrow? Drive very carefully.

Hopalong Comes to Teatro Para Ninos

Teatro para Ninos presents for tomorrow the children's favorite, Hopalong Cassidy in "Bar 20 Justice."

Mothers Club sponsors these children's shows from 1 until 3 o'clock on Saturdays at the Orinda School Auditorium. Chairman of this committee is Isabel Coates, and members helping are Betty Coleman, Janet Shirey, Jean Cullen, Ruth Anderson, Larry Rochester, Ruth Burde, Katherine Davey, Kay Brush, Margaret Anderson, Rose Lancione, Charlotte Messersmith, Helen Bole, Lois Eberlin and Laura Cooper.

Not only are suitable shows provided for the children, but money is raised. About $200 was cleared this year. This money will be used for playground equipment for the schools.

Orindans Attend Lutheran Rites At Our Savior's

Since many Orindia families are attending Our Savior's Lutheran Church in Lafayette, the idea of a separate Lutheran church for Orinda has been dropped for the time being, according to Pastor Luther Berven of Our Savior's Church.

Last summer a survey was begun in the Orinda area, under synod auspices, to determine whether there was need for a church there. It was found that the Lafayette church serves the purpose.

News about Our Savior's Lutheran Church will be published regularly in the Orinda SUN from now on.

Honor Kappa Deltas

Seniors from the Berkeley chapter of Kappa Delta were honored at a luncheon at Orinda Willows last Saturday. Earlier last week, new officers for the alumnae were installed at the regular monthly meeting.

Funeral Services Held Last Friday For Mrs. Clement

Funeral services were held last Friday for Mrs. Mabelle Hall Clement, 73, mother of Mrs. Ambrose Macdonald and Alpheus Williams Clement, both of Orinda. Mrs. Clement died Tuesday of last week after an illness of three years.

A native of San Francisco, Mrs. Clement was a member of a pioneer Bay Area family. Other survivors are a sister, Mrs. Vance Osmont of Oakland, and a grandson, Hall Alpheus Clement.

Members Hear Talk on Portraits

The Contra Costa Camera Club had a business meeting followed by an interesting lecture and demonstration of portrait photography by Rolf de Trentini, a member of the club, on May 8.

Negative and print techniques were explained. Plans were made for a field trip to Bodega Bay May 27.

The C.C.C.C. will have its monthly competition of black and white prints and color slides Tuesday evening at the Orinda Community Church. Herman Bryant, a former news photographer of San Francisco, will be the judge.

FROZEN STRAWBERRIES

Strawberries are one of the reasons home freezers have become so popular, in the opinion of Mary Ryon Lerche, home advisor for the University of California Agricultural Extension Service. Frozen strawberries still retain their fresh color and flavor in the winter, make something special of the family meal.
